

Dear Third Grade Friends and Family,

Hello! My name is Mrs. Stacy Kovaleski and I will be your teacher for the upcoming school year. I would like to take this opportunity to tell you a little about myself.

I graduated from Penn State University with my Elementary Education degree and received my Master's of Education from Gwynedd Mercy College. I have been a part of the Jamison family for 16 years and have taught kindergarten, second and third grades.

My husband and I have two children, Emily and David. Emily is 9 and will be in fourth grade and David is 6 and will be in first grade. We also have 2 dogs, Ozzy and Sullivan. The kids and dogs get into lots of mischief. You will hear many stories about the four of them! Outside of school I enjoy running, reading, and cooking.

We are having a wonderful summer! We went to the beach, enjoyed many hours at the pool, and celebrated a family wedding in Cape May. I can't wait to hear all about your summer!

You are going to learn many new things in third grade, especially in math. I had the opportunity to participate in two in-service days to learn all about our new math program. I am very excited to start the new school year! I am looking forward to getting our classroom ready for the first day of school. Please check the Jamison website for the third grade supply list. I hope you enjoy the rest of your vacation.

See You Soon!

Mrs. Stacy Kovaleski
