

Jamar Nicholas Will Be Visiting Doyle on October 25th!

Born and raised in Philadelphia, Jamar Nicholas is an award-winning artist and educator who has dedicated his career to helping young people realize the power of cartooning. Jamar aims to promote anti-bullying, healing, and kindness in his work.

Leon is an ordinary kid who becomes extraordinary when he fights a supervillain to save his school!

In the city where Leon lives, superheroes -- and supervillains -- are commonplace. So how does an ordinary kid like Leon, who has no superpowers himself, become the superhero he wants to be? When all his classmates suddenly become obsessed with a new phone app that turns them into zombies, Leon gets his chance to prove that using his brain and following his heart can save the day.

Equal parts *New Kid* and *The Incredibles*, the first graphic novel in this action-packed, heartfelt, and joyously funny series by Jamar Nicholas reminds readers that when it comes to being a hero, you just need to believe in yourself.
