

Doyle Elementary School Thanksgiving Share 2021

During this Thanksgiving season, the staff and students of Doyle Elementary School plan to share the spirit of this time of warmth, caring, and love with families from our local neighborhood. We would like to share this project as an entire school community and create Thanksgiving food boxes for our families who need extra support. Through this cooperative effort of Doyle's staff, students, parents and community members, we can realize again the valuable lesson that real joy in life comes from sharing.

Please help us by reading the list below, which will tell you what each classroom is asked to contribute.

The Thanksgiving Share collection will be from

Friday, November 5 to Tuesday, November 16, 2021.

If you would like to donate a gift card for a family or make a monetary donation that would be used to purchase food for the collection, please send the donation in an envelope marked "Attention Ms. Kowalchick / Thanksgiving Share" and include your name and contact information.

Thank you!

****Please understand that this project is purely voluntary.****

Thank you for your care and support!

Ms. Tracy Kowalchick
Student Support Counselor

Doyle Elementary School Thanksgiving Food Collection

Thank you for your help!

We are asking for your support in collecting Thanksgiving food for Doyle families in need.

In order to have a balanced variety, we have suggested items for each classroom.

Please send in any donations by **Tuesday, November 16, 2021**.

****Please check the dates on the food you donate to make sure it is fresh and suitable to give to our families in need. Thank you for your care and generosity!**
