A special thanks to Ms. Blankenburg for creating this resource for our students, staff, and parents. We have done presentations like these in the past in different settings and sometimes the information gets lost or tucked away on a website. Mrs. Blankenburg has consolidated our school & district resources, those outside the district, and also provides conversation and talking points for all of us. We will post this on our website for our entire community to access as needed.
 - **Guidance Groups** – Mrs. Louderback ([Stress Management Group](#)), Ms. Blankenburg ([Family Issues](#)), and Mr. Striano ([Organization & Academic Support](#)) are currently running groups based on student feedback from before break. open to students, parents, and staff and we encourage you to attend if possible and students are ready for mature conversations.

- ✓ **Parent Council** – Our next Parent Council meetings are set for next Thursday, January 21st. A reminder that we do two sessions – **one AM session at 9:00 and one PM session at 6:00**. We will continue with the same format we had before break based on feedback from parents. This will include updates on each of the following topics by the leaders/representatives of these groups. The goal is to share updates and allow for questions to these staff members **with a goal of 10 minutes or less on each topic so we can get through everyone**). In order to help our presenters prepare, stay on a time schedule and address all questions, we strongly encourage you to use the [2020-2021 Parent Council FAQ](#). This is also posted on the Parent Council page and can be used to also provide feedback and suggestions for future Parent Council sessions.!
