

Holicong Middle School

2020-2021 Supply List

Welcome to a new school year at Holicong! We understand that the beginning of this school year will look different than in year's past and instead of providing different supply lists for each grade, we felt it would be more helpful and practical to create a list that would serve students in **all three grades** in the virtual learning setting. Here is a list of supplies for you to gather before coming to school.

Please know that these supplies do not include those provided by the school for specific courses. We will send a separate communication on the logistics & plan for the distribution of these materials to all students.

- ✓ SSR/independent reading book
- ✓ Loose-leaf lined paper
- ✓ Charger for laptop
- ✓ Computer pen
 - 9th grade students only will need AAAA battery for their pen
- ✓ Pencils and pens
- ✓ One pack of colored pencils
- ✓ Calculator capable of working with fractions: TI30 (NOT on phone, laptop or watch)
- ✓ 1 composition book for English (writer's notebook)
- ✓ Access to a printer (recommended)
- ✓ Headphones (with microphone recommended)

We look forward to seeing you on the first day of school!
