7<sup>th</sup> Grade Back to School Night  
September 23, 2021 – 7:00 PM  
“A” Day**

Dear Holicong Parent/Guardian,

We are excited to invite you to attend 7<sup>th</sup> grade Back to School Night on September 23<sup>rd</sup>, 2021! The night will begin at 7:00 PM and you will be following your students “A” day schedule (for specials classes). Please make sure to see the back of the letter as we put a template with times and class schedule that you can fill out to use for the evening!

Back to School Night is a wonderful opportunity for you to visit Holicong for a variety of reasons. During the evening you will meet the Holicong faculty & staff, hear about team teaching in 7<sup>th</sup> grade, become acquainted with your child’s daily schedule, and get an overall preview of course requirements and responsibilities.

We plan are making some slight adjustments this year due to the revised Health & Safety Plan but still plan on providing you with all the information you would typically receive at our Back to School night.

- In lieu of meeting with all parents in the auditorium to begin the evening, we have created a welcome & overview video we will share with during 1<sup>st</sup> period.
- In lieu of meeting with the teams in as a whole group, each 7<sup>th</sup> grade team has prepared a video we will send to parents that provides an overview of “what they do and how they work together” to serve our students.
- We will be following the Secretary of Health masking order and the CBSD Health & Safety Plan for the evening. We are asking all visitors to wear a mask regardless of vaccination status. We will provide these at each entrance as well as mask exemption forms for those that are not wearing masks. We do not want the logistics with the Health & Safety plan or mask mandates to be a distraction to the purpose during the school day with students or these evenings with our parents.

We will start promptly at 7:00 so we recommend planning on arriving by 6:50 as the parking lots can get crowded with this many guests on one night. Please know that you can park in the bus lot and enter those doors as well. We will also have our student ambassadors here to direct you. Since this is an “A” day, please understand that you will not be seeing all of the classes that your child will be taking this year. Our specials courses are scheduled on alternate days and some during other marking periods.

Thank you for making your child’s education a priority and we look forward to seeing you on Thursday.

Sincerely,

Kevin T. Shillingford, Principal

Mike Canelli, Assistant Principal

**Parking Reminders:**

The main parking areas are the Holicong/East parking areas, the front bus lot, and the Anderson Road lot at East. Parking along Holicong Road can be dangerous to you and your vehicle. Buckingham Township asks that we remind you that there is no parking in the housing development across from Central Bucks East. Vehicles will be ticketed in that area.
