- ✓ **Online Students** – All students are invited in this day. Online students can take the bus or get a ride, but if you do come we ask that you stay for the entire half-days (not come in late or leave early – we have a very specific plan and logistics with students reporting to different places during the day on a very tight schedule.
- ✓ **Reporting 1<sup>st</sup> Period to Resource** – All students will report to Resource on Thursday and Friday. We are not sending out any specific survey for this and we ask that you do not email the office/counselors. Students can let their resource teachers know if they plan on coming in so they can make arrangements.
- ✓ **End of Year Ceremonies** – Our plan is to stream these events from the auditorium to students and parents. Mr. Murray is meeting with us on Tuesday afternoon to set this up and we will send out links to students and parents in each grade.
- ✓ **Awards** – Mrs. McCusker is currently making a special filter for students being recognized during these days. Parents/Guardians will not be able to attend “in person” this year but felt it important to notify you if your student is being recognized so you can make plans to watch. This will be in a separate communication.
