From Girl's Tennis

- The girl's tennis team claimed victory again over Tohickon yesterday! Our two singles players - Jaime and Jessica- won their matches displaying great confidence and skilled shot making. Elise and Marin, our Doubles three team, never gave up and also came through with a dominant win. All of our talented players had very close matches which led us to play our longest match to date. Congratulations Girls tennis!

On Tuesday, Elle Lundquist competed at the PIAA Golf State Championship in York, PA, against the toughest competition she has seen all season. After a tough start, Elle bounced back with birdies on her 14th, 16th, and 17th holes to finish four over par. This score earned her a 4th place finish. Not only is Elle a state medalist, but she was also the lowest scoring freshman at the event. Congratulations Elle!
