Return to School Criteria

Keeping your child home when they are sick will help reduce the spread of infection. If your child is experiencing symptoms that could be associated with COVID-19 (as outlined above), they may not return to school until the following 3 criteria are met:

- 1. Child has been fever free for 24 hours without the use of fever reducing medication,**
- 2. AND child has improved symptoms,**
- 3. AND at least 10 days have passed since symptoms first appeared, OR the date of a positive COVID-19 test**
