## Spring Sports Information/Important Dates

- [FamilyID](#) for the 2024 Spring season will open on Friday, January 12, 2024. **The registration period will initially close at 11:59pm on Monday, February 19, 2024.** PIAA physicals, Health History forms, and Re-Certification forms must be uploaded to the student profile on Family ID and must be dated **on or after June 1, 2023**.
- There are four requirements that need to be met for submitted **physicals** to be approved. All physicals **MUST** be...
  - ✓ On the [PIAA form](#). Physicals on other forms will **not** be approved.
  - ✓ Signed by a doctor/physician
  - ✓ Current, dated on or after 6/1/23
  - ✓ Uploaded to the student profile on Family ID, along with the Health History form
- The **Health History form** (Section 5 in the PIAA packet) should be completed, taken to the physical appointment, and then uploaded with the PIAA Physical form.
- A current **Re-Certification form** (Section 7 in the PIAA packet) is required for anyone who registered for or participated in a Fall or Winter sport.
  - ✓ **Uploaded copies of the current PIAA physical, Health History form, and the Re-Certification form are required to approve these athletes. The current physical and Health History forms for this school year should not be removed from FamilyID.**
- **Concussion Education and Impact Testing** information will be sent to all registered athletes and head coaches via the athletic training staff. Student athletes will need to complete this aspect of their pre-participation requirements before the Spring season begins. Specific dates will be communicated at a later time.
- **Any student who has not completed the pre-participation requirements (Family ID, PIAA Physical and Health History form, Re-Certification form, Concussion Ed/Testing) will not be permitted to tryout.**
- **The first day of Spring Sports tryouts is on Monday, March 4<sup>th</sup>.**
