World  
**Down  
Syndrome**  
Day

- March 21st is World Down Syndrome Day! This special day is all about raising awareness and celebrating people with Down syndrome. For spirit week, we are wearing COMFY CLOTHES, but We will also wear crazy socks to show that being different is awesome and to remind everyone that our differences make us unique and special. Socks were chosen because chromosomes look a little like socks—and people with Down syndrome have an extra copy of chromosome 21! So, pull out your wildest, most colorful socks and wear them with pride to help spread kindness, understanding, and support for everyone in our community.
