Hello Holicong!

Do you remember when we celebrated Women's History Month with a Resource Activity that featured many impactful and inspiring women? Resource classes were asked to nominate ONE historical female from the PowerPoint Activity to represent our Holicong community. We are happy to announce that winner –

The first winner was Harriet Beecher Stowe. Please check out our poster in front of the Cafeteria that highlights her noble attributes and contributions to many people in America. What a legacy of freedom and equality!

And also, maybe you remember the OPTIONAL part of the activity that asked for students to tell us who was missing from the PPT and why they deserved to be a part of the list of remarkable women.

Congratulations to Mrs. Fahey's Resource – the winners of the donut party – for nominating Susan B. Anthony and explaining why Susan B. Anthony needed to be included and celebrated. Check out her poster in front of the cafeteria, too!

And finally, a special runner up position has been created due to the number of times another powerful female figure was nominated in the activity.

Congratulations to Mrs. Ambrosini who was mentioned myriad times for a plethora of honorable reasons. Students from all across Holicong nominated Ms. Ambrosini for her power, her knowledge, her empathy and her compassion – as a role model to all of us here at Holicong. May we continue to find those people in our lives who are worth looking up to!

Thank you to all of those who participated! Humanitarians of Holicong.

From Mr. Glaser

- Congrats to H-Factor on an awesome performance at ACATAMAJAM on Friday night! The group created and performed our own arrangements of “Birds Of A Feather” by Billie Eilish and “Cry for Me” by The Weeknd and the audience response was tremendous. For the third year in a row, the judges recognized H-Factor with the trophy for Best Rhythm & Groove. Milan Saxena was also recognized with a solo award for his awesome falsetto vocals and riffing.

From Mr. Glaser:

- Spring has sprung and that means it's time to start planning for one of Holicong's long standing traditions, the end of year talent shows. We're looking for all sorts of acts – singing, dancing, comedy, lip syncs, short movies, martial arts, and any other unusual talent that might make a fun and engaging talent show act. The shows take place during the school day during the last week of school, and there is normally a 7th grade show and a combined 8th and 9th grade show. 7th grade auditions are on the schedule for Friday, May 16th and the 8th and 9th grade auditions will be held the week before Memorial Day. Stay tuned for more details and stop by and see Mr. Glaser if you have any questions.

Attention Colonial Players cast and crew:

- Flash drive copies of the video of our March musical performances can now be ordered for \$20 via MyPaymentsPlus.
- Both the Friday night and Saturday night shows were filmed, so you can order one or more copies of either or both shows.
- Online sales end on TOMORROW at 10 AM. Flash drives will be delivered to Holicong and distributed to students sometime in May.
