

February 10th, 2020 Parent Superintendent Meeting

Review of the **Social and Emotional Programs** currently in place or happening soon that cover PEP (People, Education and Programs).

<https://www.cbsd.org/Page/45705>

Each HS cluster will have a social worker. 2 in place now and 1 starts in March.

Lunch and Learn- <https://www.cbsd.org/domain/3752>

The purpose of the Lunch and Learn program is to create a schedule that reflects a culture of self-efficacy, trust, and joy. The Lunch and Learn program aligns with our highest priority as educators-meeting the needs of every student every day.

This in a pilot review phase and may be implemented to all the High Schools.

School Start Time Committee- 2 meetings to date, 4 more pending (Feb, March, April and May) The administration and the board will review the information gathered at meetings over the summer. Final meeting in September 2020. A final decision is planned by Oct/Nov 2020. If the decision is made to amend the MS and HS schedule, it would happen for the 2021/2022 school year.

SRO's (Student Resource Officers) are in the works pending a few more discussions and processes. If all goes well, there will be one in each of the three High Schools (East, West and South)

CB East- HVAC will be replaced this summer. This was on the calendar for the future but given recent concerns at East with the HVAC system, they made the decision to move this replacement to this summer.

Event Reminder:

DRUG AND ALCOHOL AWARENESS/PARENT POSITIVE EVENT

(<https://www.cbsd.org/Page/45794>)

February 24 | CB South High School | 5 PM - 8:30 PM
