

The Holicong HUDDLE - Fall 2021 edition

VARSITY FIELD HOCKEY, COACH BAUER

The 8th grade Field Hockey record was 2-9 this season. They did a great job as a team and really learned a lot from each other. The girls greatly improved from last year. The girls went into every game with a smile on their faces and even when they lost, they still had the same smile. I am happy they were all about playing and improving then winning. Great season girls!

CHEERLEADING, COACH MADDEN

This fall we had 13 girls come out for the Holicong cheerleading squad! Many of the girls had NO cheer experience, so this was a great learning experience for them as they worked hard to learn the basic movements of cheer. The girls really enjoyed making up some of their own moves for chants and working with the CB East cheerleaders to learn how to do basic stunts. The girls also learned some of the rules of football as I explained it during the games. I am so proud of the way this group came together and how hard they worked to improve throughout the whole fall season. Most of the girls are returning for the winter season, and we had 3 new girls join the squad. What a great group to work with! Go Colonials!!

VOLLEYBALL, COACH BENEDIX & COACH COXEY

Shout out to the Holicong Volleyball Team for winning the first ever Central Bucks School District League Championship yesterday at Tohickon Middle School. Holicong handled league rival and top seeded Lenape Middle School to win the first ever CBSD League Championship. Kudos to every player as they displayed a true TEAM EFFORT.

Thank you to all the coaches, parents, staff, Mr. Rittenhouse, and especially all of our student for a wonderful fall athletic season! It was great to see students participating and “getting in the game” out of the classroom. While we are proud of the individual and team accomplishments, we are more impressed with the sportsmanship and teamwork displayed by all of our student-athletes! We hope the connections built between our students will only bring a closer sense of community at Holicong and look forward to the winter and spring seasons!

With appreciation and gratitude!
