Holicong safety update

A.L.I.C.E.

revising intruder on campus procedures

**Our teachers are responsible
for our children's welfare for
the six or eight hours they are
at school and we need to
know without question that
their safety will be paramount
on the minds of teachers,
faculty and volunteers.**

Safety is our priority

Cameras & Secure Entryways

Drills conducted (at least one drill per month):

- **Fire**
- **Weather**
- **Evacuation (on-site)**
- **Evacuation (off-site)**
- **Shelter in Place**
- **Lockdown**
- **Table Top CERT scenarios**
- **Intruder on Campus - ALICE**

Why ALICE?

- Safety and Security is a priority for the Central Bucks School District
- Changes in Best Practices are occurring nationally for intruder on campus procedures
- ALICE is a set of proactive, options-based strategies that incorporates recommendations from the Department of Homeland Security (DHS), Federal Emergency Management Agency (FEMA), US Department of Education, and multiple law enforcement agencies.

Why ALICE?

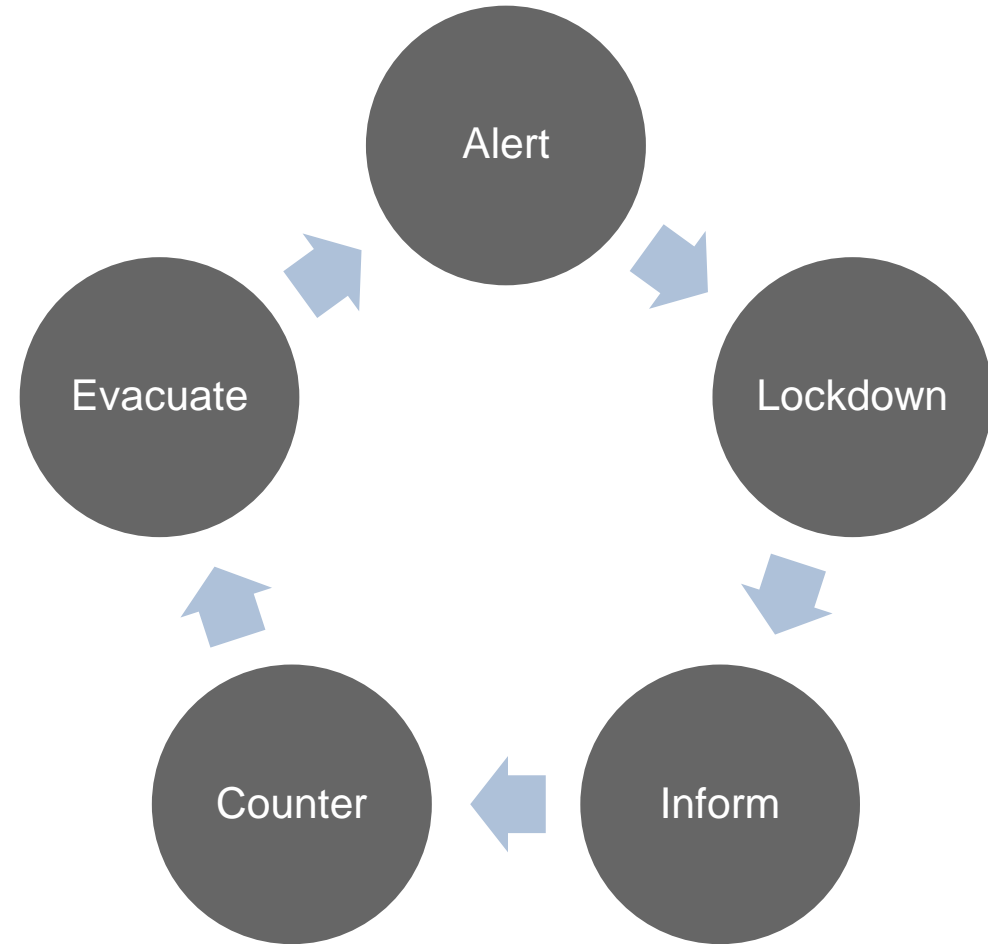

- Developed by a police officer and elementary school principal (husband and wife) to improve school safety
- Currently used by:
 - 4,600 schools
 - 3,300 Police Departments
 - 4,000 Businesses

Why ALICE?

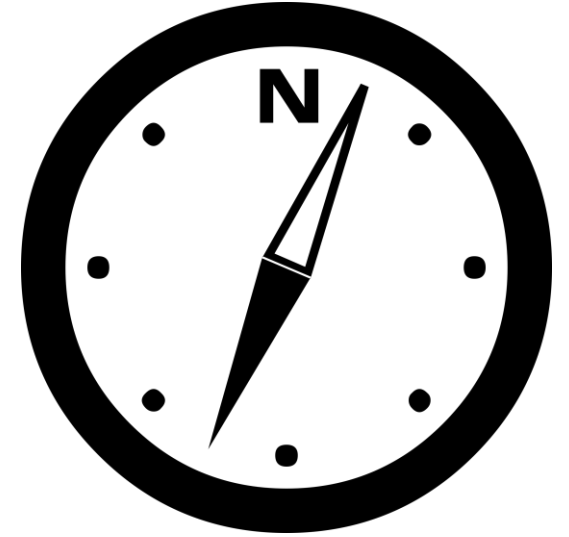

- ALICE teaches individuals to be active participants in their own safety, while leading others to safety when possible
- Although no program can guarantee success in this type of situation, these new protocols will increase the odds of survival in this type of emergency

What does
A.L.I.C.E.
stand for?

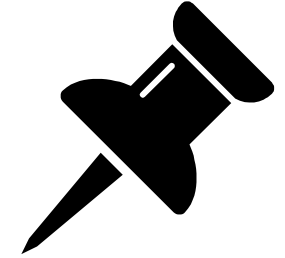

Where are we?

- All staff has completed an on-line ALICE training
- Select CERT team members have completed in-person training from professional ALICE trainers.
- Holicong teachers have completed in-house ALICE training via 3 scenarios on November 13th. Joined by Buckingham Police Officers.
