# 2014-2015 CBSD Goals

2014-2015 CBSD Goals

# Review of Building Goals

## Technology

- Provide training for faculty in the areas of SMART technology, Office 365, Schoolwires, Infinite Campus, Microsoft 2013 and other technology that will help increase student achievement and communication with our students and parents.

## Grading Practices

- Continue our work with establishing consistent grading practices
- Continue to provide resources for effective formative and summative assessment.

## School Culture – Faculty and Student Involvement

- Create an atmosphere where all students have opportunities to be involved outside the classroom environment.
- Incorporate the teaming philosophy in a manner that will allow for students to practice and model the Elite 8 and treat one another with respect at all times.

# Expectations for...Students

## Academics

- Rigor & Resiliency

## Behavior

- Elite 8
- “That’s not what we do at Holicong”

It's not all about the test scores,  
but...

# Renovations Update

## This summer

- Band & Choral Rooms
- 4 new classrooms
- 3 new computer labs
- Library renovation

## Next summer

- 8<sup>th</sup> grade wing

# Social Studies Update

## HOLICONG REMEMBERS

### *“Lest We Forget”*

On September 11, 2001 our nation experienced an event that would change the world forever. Although these events occurred 13 years ago it is important for our children, and future generations, to never forget.

During the week of September 8, the Holicong SS department spent three consecutive days recognizing the events of September 11<sup>th</sup>. In a coordinated effort, all SS teachers spent valuable time with their students viewing the Holicong 9/11 quilt. This 32' x 18' American flag quilt showcases the voices of the entire Holicong community as friends and family members shared their thoughts and feelings of that day.

In addition, all students in each grade level were asked to complete an activity that would share the voices of this year's Holicong community. The results of this activity will be displayed throughout the school as a constant reminder that we will always remember.

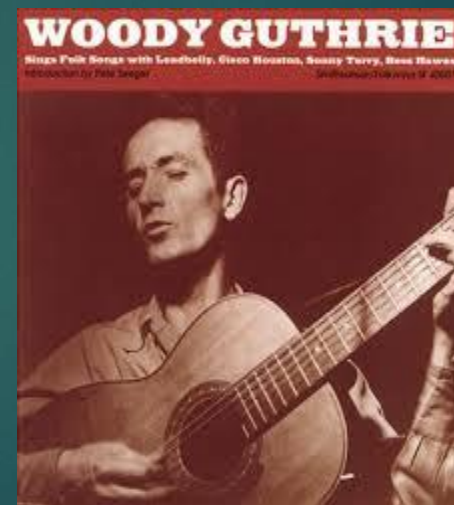

9/11

# TEAM 9's TOUR OF THE 20<sup>th</sup> CENTURY

# 9<sup>th</sup> grade's "Tour"

Throughout the year, Team 9 will provide various multimedia experiences for students to better understand the cultural impacts and shifts that developed from generation to generation, event to event. It's our hope that these direct connections further enhance various classes' curriculums.

# First Tour: BARBERSHOP MUSIC

The Bucks County Country Gentleman

# Future “Tours”

## Future tours will include:

- ✓ Examining society through television episodes from Hogan’s Heroes, Little Rascals, and The Wonder Years.
- ✓ A visit from Depression Era musicians honoring Woody Guthrie.
- ✓ A student led Protest Day, both in speech and song
- ✓ And more!
