1. Graduation date for seniors set for June 10th. Rain date June 11th or 13th. Lights at CBE because East is the last one (I did not understand that).
2. It is now two years and two days since COVID19 was declared a pandemic. We now need to move forward and rebuild. Understand student concerns and help them re-assimilate and socialize.
3. CBSD Strategic Plan needs to be revised/updated next year. The plan is to develop a 'Portrait of a Graduate' (what a graduate should look like) with input from students, parents, community, etc. and craft the Strategic Plan to support that Portrait.

4. Five groups of parents identified potential criteria. I forgot to photograph the one that I assisted in!

CBSD's mission and current goals for students are as follows.

5. I relayed the parent request for a late bus. The Superintendent noted the request. Parents shared that there was a late bus a few years ago which got cancelled for two reasons.
 - a. High cost.
 - b. Low ridership. Apparently, there were not as many late buses as normal buses. So the routes were longer and students got home late (one parent mentioned 7 PM). So ridership dropped. The cost-benefit was not justified after a while.
