

Adding CBSD Email to iPhones

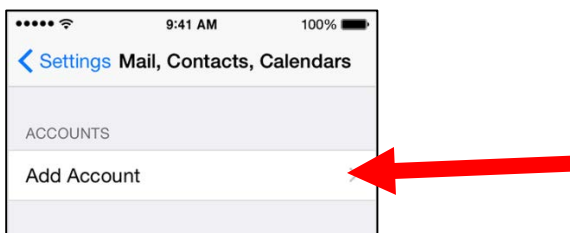

1. Tap Settings.

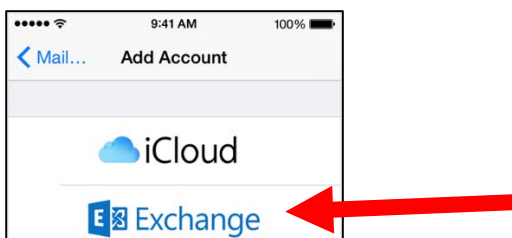

2. Scroll down and tap Mail, Contacts, Calendars.

3. Tap Add Account.

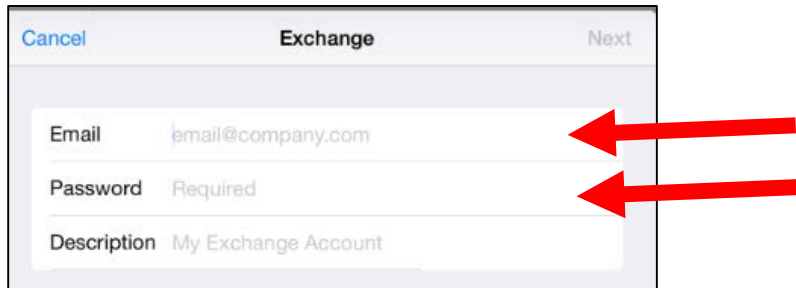

4. Select Exchange Server

5. Add Email: lastname.f123@student.cbsd.org

Password: <your current CBSD network password>

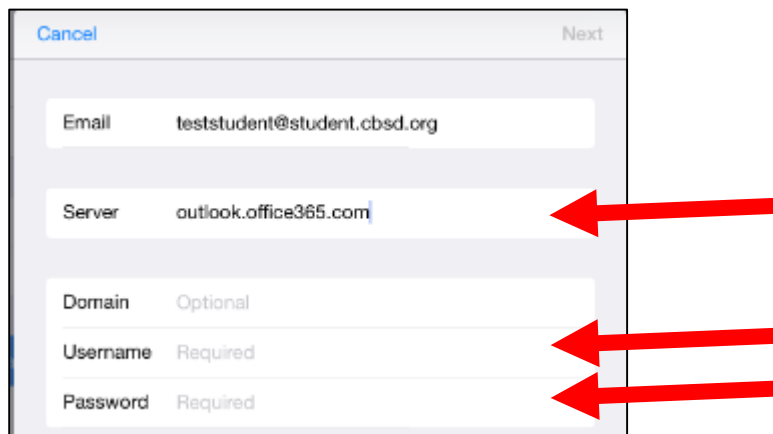

A screenshot of an 'Exchange' account setup screen. The screen has a title bar with 'Cancel' on the left and 'Next' on the right. Below the title bar, there are three input fields: 'Email' with the placeholder 'email@company.com', 'Password' with the placeholder 'Required', and 'Description' with the placeholder 'My Exchange Account'. Two red arrows point from the right side of the screen towards the 'Email' and 'Password' fields.

6. Add Server: outlook.office365.com

Domain: <leave this setting blank>

Username and password are the same as in step 5.

A screenshot of an account setup screen. The screen has a title bar with 'Cancel' on the left and 'Next' on the right. Below the title bar, there are five input fields: 'Email' with the placeholder 'teststudent@student.cbsd.org', 'Server' with the placeholder 'outlook.office365.com', 'Domain' with the placeholder 'Optional', 'Username' with the placeholder 'Required', and 'Password' with the placeholder 'Required'. Three red arrows point from the right side of the screen towards the 'Server', 'Username', and 'Password' fields.
