

WELCOME TO TEAM 7-2!

Your team teachers are enthusiastically awaiting **August 29th** and are excited to spend a rewarding and special year with you! Holicong's 7th grade class is organized into two teams, and we are so glad you are a member of 7-2!

Team 7-2's theme is "**Standing Strong Together.**" Over the course of the school year, you will be provided with many opportunities to work with each other, people within our community, and beyond. As a team, we will not only join forces to ensure your academic success, but also to help each other become stronger individuals who are able to grow, adapt, and learn from each experience in your first year of middle school. We pride ourselves on being a team that is genuine, welcoming, and hardworking.
