

# Welcome to Team 7-0

Your team teachers have been busy planning for the school year. We are excited and eager to meet you and learn alongside of you this school year! As a member of Team 7-0, you will have many learning opportunities to uncover ways that you can make a positive difference in your life, school, and world. ## What is Team?

Holicong is organized into teaching teams. Team 7-0 is your "home base," more than just a location of teachers, lockers, and classrooms. Your teachers meet to plan team activities, coordinate lessons and due dates, and discuss student progress. Your teaching team looks out for you!

## Get curious! Get involved!

Getting involved at Holicong is essential to an enjoyable, productive year!

Check out the Student Activities page (OUR SCHOOL→Student Activities) on the Holicong website for the various ways you can grow as a member of the school community.
