WEEK IN REVIEW

- ✓ **6th Grade Parent Orientation** – The information for our parents is posted on our website here – [6th Grade Program Planning](#). We had a great crowd on Tuesday evening for our orientation. A special thank you to our 7th grade ambassadors for being awesome tour guides – we received many compliments from our parents. A thanks to the counselors and teachers for joining us as well!
- ✓ **Department Meetings** – Core area teachers met in departments to work on department and district goals.
- ✓ **CBSD District Leadership Meeting** – Dr. Lucabaugh hosted the secondary staff district leadership team at Tohickon. We are continuing the work on collective efficacy among our schools and a district as a whole.
- ✓ **School Start Times** – The district had another school start times committee meeting. Mrs. Match shared the most recent update at Parent Council and we will continue to pass along information to our local community at these meetings.
- ✓ **Parent Council** – Thursday's Parent Council was very meaningful and appreciate the discussions and collaborative work on the three topics of our New Student & Parent Work, Schoolwide Positive Behavior Support Plan, and our Faces of Holicong Diversity Panel. A special thanks to Dr. Lensi Nikoleve for joining us for this discussion as we prepare for our first student panel next week!

- ✓ **Extended Advisory** – Teams engaged in a variety of activities that focused on team building and the work we are doing as a school community. A special thanks to Mrs. Keyes & Mrs. Barraclough for organizing the activities for Black History month and Mrs. Repper, Mrs. Farrell, and the 9th grade Tour team for their work on this month’s tour. It is always a great day to see our 9th grade students perform in front of their peers, and the orchestra students were amazing!
