*The purpose of the Student Handbook is to give Barclay students and their parents/guardians an understanding of the general rules and guidelines for attending and receiving an education in our school. Together with the **INFORMATION** section in the front of the **District Calendar and on-line resources at <http://www.cbsd.org/barclay>**, we feel confident that you will have ready resources for questions about School District and School policies. In case of conflict between a board policy and the provisions of this handbook, the board policy most recently adopted by the board will prevail.*

www.cbsd.org/board/cbpolicyman.htm

Please review this information early in the school year. Should you have any questions about information found here or on any other school-related topic, we encourage you to call us at 267-893-4100.

Best wishes for a successful school year!

ATTENDANCE

The Commonwealth of Pennsylvania requires under the Compulsory Attendance Law that an **a written excuse note signed by the parent or guardian**, be on file for every day of a student's absence. An absence not explained by an excuse note, submitted within three days of the child's return to school, is recorded as an illegal absence. If an excuse is not submitted for any absence, the student will be considered illegally absent that day(s). An absence note may also be sent electronically to barclayattendance@cbsd.org.

According to the State Law, the following excuses qualify as excused absences:

1. Religious Holiday.
2. Illness.
3. Family Vacations or Educational trips will be excused only with prior written approval by the principal. As per School Board Policy these days are **limited to five days per school year**. A form for approved travel can be obtained from the office, or on-line @ www.cbsd.org.
4. Death in the family.

Parents are legally responsible for seeing that their children attend school, and they may be fined in district court if their children are illegally absent more than three days.

Students who are chronically signed out early or late may be charged with part or full day absences on the report card to reflect cumulative instructional minutes missed.

BACK TO SCHOOL NIGHTS

In the beginning of the school term the faculty hosts a back-to-school night for the purpose of having parents meet with their child's teacher. During this visitation, teachers describe the instructional programs and explain the procedures and expectations. A brief question and answer period will follow the formal presentation.

Each year parents are invited to school in order to meet the teachers and to see an overview of the grade-level curriculum. These evening meetings are designed to give adults the opportunity to discuss topics and to ask questions. Thank you for your cooperation and understanding.

BEFORE- AND AFTER-SCHOOL PROGRAMS

Central Bucks Community School offers before-school and after-school care to all schools where there is a need. The program provides supervised play, activities, and help with homework. Parents pay a monthly fee for the program. For more information call the Community School Office at 267-893-5705 or check online. Children may attend on a part-time or full-time basis. In case of inclement weather the school closing number for the Central Bucks Community School is 779.

BIRTHDAYS

Birthday party invitations to a select small group of children should not be distributed at school. Sensitivity to other children's feelings contributes to a healthy social development for your child. Children often appreciate very simple ideas, which celebrate their birthdays in school.

We have a "no sweets" policy at Barclay and encourage instead that parents donate a book to the library in honor of a child's birthday. If parents have additional ideas, which involve the school, they need to secure the permission of the teacher.

BUSING

The Central Bucks School District transports approximately 20,000 students daily to 75 schools, each having special starting and dismissal times. The District establishes school bus schedules with a fifteen (15) minute start and dismissal time variance. Each bus is scheduled to arrive within (15) minutes of their start time and pick up students using the same time frame. For example, if dismissal time is 3:45 PM buses may be scheduled to arrive at school for pick-up at 4:00 PM.

Students that utilize bus transportation provided by the district may NOT ride home on another bus. Also, children may **not** have fellow students ride home on their bus. If parents would like to make arrangements for children to spend time after school with one another, a parent note must be sent in by both parents to the office and arrangements for travel must be made by the parents.

Riding the bus is a privilege which may be withdrawn either for inappropriate behavior on the bus or at the bus stop. Disruptive, defiant behavior will not be tolerated. Unacceptable behavior may result in the temporary suspension of bus privileges. The bus driver will report any infraction of rules to the principals. Parents will be notified in writing of such reports.

John Barclay Elementary School-Family Handbook

Your questions or concerns should be referred to the Director of Transportation at 267-893-4000, where Bus Behavior Reports are generated.

BUS SAFETY

1. No eating or drinking is permitted on the school bus.
2. The only items that children are permitted to carry on the bus are those that will safely fit on their laps. There is no storage space on the buses. If your children want to take something to school and it will not fit on their laps, parents must arrange other transportation.
3. No unauthorized person is permitted on school buses. By law, bus drivers have the ability to ask people to get off the bus if they are not authorized to be there. If they do not comply, drivers will radio dispatch for the police. This is considered a misdemeanor offense and is necessary for the security of our children and our bus drivers. If you need to get on the bus for any reason, ask permission first.
4. Neither the school nor the bus drivers have any jurisdiction over behavior at bus stops. Parents are encouraged to make their presence known in order to discourage disruptive behavior, particularly in the morning when the children are waiting.
5. School Board policy requires that kindergarten and 1st grade students must be met at the stop by an adult or older sibling or the driver cannot release the student from the bus.

CELL PHONES – STUDENT USE

Cell phones may be carried to and from school but must remain off and stored in the student's backpack during the day. Students are not permitted to make phone calls or to send text messages at any point during the day. Students who violate this policy will not be permitted to have cell phones on campus. School phones are available for student use in an emergency.

CENTRAL BUCKS CALENDAR/HANDBOOK

The following topics are covered in the Central Bucks School District Calendar/Handbook distributed to all families:

Attendance Areas/Attendance Requirements

Back To School Nights

Building Directory

Central Bucks Philosophy of Education

Code of Rights, Responsibilities, and

Discipline

Insurance Requirements

Medication Policy

Opportunity School

Parent Conferences

Parent Groups/Parental Involvement

Psychological/Social Work Services

Progress Reports

John Barclay Elementary School-Family Handbook

Community School	School Board Members/Meetings
District Administration	School Closing Information
Dress Regulations	School District Policies
Drug and Alcohol Policy	Smoking Policies
Enrollment Regulations	Special Education
Guidance and Counseling Services	Sports Schedules
Health Services	Student Records
Homebound Instruction	Standardized Tests

CENSUS VERIFICATION & EMERGENCY CONTACT REPORTS

In the event of illness or injury an updated Census Verification & Emergency Contact Report must be on file for every child to ensure that contact can be made with a responsible adult in the immediate area. **Please notify the school immediately of any change in address, home or work telephone numbers, emergency contact individuals and phone numbers, etc., so that our information will always be accurate and up to date. This is a very important item. Please complete and return these forms promptly.**

The appropriate school personnel should know custody arrangements. Should court dictated custody arrangements apply to your child, a copy of the current court order must be filed with your child's records. The school will endeavor to abide by court directives in its files. Verbal statements of custody will not be enforced.

CODE OF CONDUCT

Our students are generally well behaved and respectful of their classmates and adults. All Barclay students and staff ~~sign our Code of Conduct and~~ are encouraged to take responsibility for their words and actions and feel empowered to maintain our healthy environment. When children do need reminders about their behavior, consequences-- such as, recess, after-school detentions, or loss of event privileges--may be issued. Parents are encouraged to contact teachers with any questions or concerns about a child's behavior. Generally when dealing with a child's behavior, there is a great deal of support and cooperation between the school and home. This is very beneficial to children and also helps to create an environment conducive to learning.

As a member of the Barclay community we are expected to follow the five tenets of **PRIDE** listed below. Inappropriate behavior will result in consequences determined by Barclay's Behavior Policy in accordance with the Central Bucks Disciplinary Procedures and Responsibilities.

BARCLAY'S PATRIOT PRIDE BEHAVIORS:

POSITIVITY

RESPECT

INTEGRITY

DETERMINATION

EMPATHY

BEHAVIOR POLICY

Level of Misbehavior	Possible Consequences may include:
Level One: Misbehaviors that interfere with the orderly learning environment of the school. A violation of the Code of Conduct.	Conversation with teacher/warning, Conduct Report, restriction or loss of classroom privilege, parent notification, verbal or written apology to people affected
Level Two: Frequent or serious misbehavior that disrupts the learning environment of the school.	All consequences from Level One, parent and student conference with teacher, referral to the office, lunch or recess office detention
Level Three: Misbehaviors that have the potential to endanger the wellbeing of other students or staff, or recurring violations of the Code of Conduct.	All consequences from Level Two, in-school or out-of-school suspension, replacement or repair of damaged property

Parents should expect to be informed of any discipline problem that is serious or persistent. Communication between all persons dealing with the discipline problem is vital, if the problem is to be dealt with effectively.

COMPUTER USE

Proper Use of Computer/iPads and Networks

The use of computers and technology in the Central Bucks School District is designed to have a positive impact on curriculum and instruction for all students.

Technology will be used:

- within the curriculum to enhance student learning and achievement
- to assist students in becoming competent in the use of technology, with an increasing degree of sophistication as they move from level to level
- as a tool to enhance creativity and encourage the completion of quality products
- to access technology-based information relevant to curriculum topics

To allow maximum use of the technology in Central Bucks, students agree to the terms outlined in this agreement.

John Barclay Elementary School-Family Handbook

1. Students will abide by such rules and guidelines as adopted by the Central Bucks School District, including the School Board policy on technology use.
2. Students may not introduce information, including software applications or documents, on any district computer system without first obtaining staff approval and copyright compliance.
3. Students will not connect any device to, or disconnect any device from, a computer or peripheral device, or the district's local or wide area network.
4. Students will not change or in any way alter a network device, device or peripheral name, file or folder name or network zone.
5. Students are prohibited from copying software applications, folders, or files from within or between network zones or to external drives without first obtaining staff approval and copyright compliance. Copying of any of the above will only be for the purpose of curriculum related projects.
6. Passwords may be assigned for each student and are for the individual use by that student. Distribution or alteration of a password is prohibited.

Technology Use Agreement

Each student and parent will need to sign a 1:1 User Agreement in order to use a district device. The agreement is available on MyPaymentsPlus and outlines the expectations for use and care of district devices.

The full text of the document is available [here](#).

DIRECTORY

A school directory is developed by the PTO and distributed to all families as part of their HSA membership. This directory includes all students' names and grades. Student addresses, phone numbers, and parent/guardian names are listed if parent permission has been granted to publish this information. The directory also includes a complete listing of the staff, class lists, HSA committees/chairpersons, and homeroom parents.

Under no circumstances is any part of the directory to be reproduced, photocopied, entered into a database, or copied by hand or other form. The directory may not be used as the basis for telemarketing.

DRESS CODE

All students shall come to school in a comfortable manner that allows them to be authentically who they are, while also complying with equitable dress code policies. If your child chooses their own clothes to wear, please remind them that some outfits are not appropriate for school.

The following are guidelines for apparel for all students. If you have any questions, please contact the school:

John Barclay Elementary School-Family Handbook

- Footwear should be comfortable and safe for indoor and outdoor school surfaces. Flip-flops, beach or loose footwear are not appropriate for school and may be dangerous on our stairways and playground.
- The length of shorts or skirts is to be appropriate for school and there is to be no wording on the seat.
- Inappropriate slogans, offensive content or expressions, etc., are not to be worn on clothing.
- Undergarments are not to be visible.
- Any attire the administration considers to interfere with quality of education shall not be permitted.

EMERGENCY CLOSING / EARLY DISMISSAL OF STUDENTS

If it becomes necessary for you to take your child out of school for any reason during the school day, a note to the teacher in the morning is most helpful. When coming to school to pick up your child, please report to the office with picture ID. The office staff will call your child from the classroom and you will be asked to sign your child out. If your child will be returning to school on the same day, please bring your child back to the office, so that he/she can be signed back in.

Early dismissal or transportation messages must not be left as voice mail messages in the teacher's voice mailbox. Teachers do not retrieve voice mail messages until after the conclusion of the student day.

267-893-4100

If your child wishes to go home with a friend, a note is needed from both parents.

Transportation regulations prohibit the use of the bus for such visits.

Emergency school closings announced after school is in session will be posted first on the Central Bucks web site www.cbsd.org and then broadcast by radio and television stations using the number - 755. When the school district announces weather-related school closings, late starts, or early dismissals reliable sources of information are: the District's CBTv: Comcast Channel 28 and Verizon Channel 40, Newsline, at 267-893-2000 ext. 6, Channels 3, 6, and 10 and Radio Station KYW, 1060 am or WBUX 1570 am. School closing information is posted on the website as soon as the superintendent has made the decision.

An Emergency Dismissal form is sent home each September in order to solicit your directions. This multi-part form is retained by the office and the teacher and serves as our guide for emergency dismissals. Please review with your child the procedure you want him/her to follow after being sent home.

ENGLISH LANGUAGE DEVELOPMENT

The English Language Development Program (ELD) is a building-based program that supports students learning English in accordance with the Home Language Survey and

WIDA ACCESS qualification requirements. Students are supported and monitored in a variety of ways while achieving English proficiency.

EVACUATIONS/SHELTER-IN-PLACE

Every school-calendar year the state requires schools to conduct full-school lockdown, inclement weather, evacuation, and chemical spill (Shelter-in-Place) drills.

EXCLUSION FROM PHYSICAL EDUCATION/RECESS

Students who are to be excluded from physical education classes for medical reasons must bring a note from the parent stating the reason for the exclusion. This note must be taken to the classroom teacher, the nurse, and the physical education instructor.

If the student is to be excluded for more than one physical education period, a doctor's statement with the reason and the length of the time of the exclusion must be provided. Under most circumstances, the student will be required to attend the class even though he/she will not be expected to participate. For supervision purposes, we cannot honor requests for children to stay inside for recess unless a doctor's note is provided.

FACILITIES USE

In order to secure the building after hours the use of the building will be limited to groups, which benefit a large number of students. A Central Bucks School District Facility Use Form must be completed and submitted to the principal and Facilities Office for approval. This form may be obtained from the school office.

FIELD TRIPS

Children are taken on field trips to provide educational experiences available only outside the school. All field trips are under the supervision of the classroom teacher with assistance from teacher selected parent chaperones. Classroom teachers often use a lottery system to select among many willing field trip chaperones. Depending upon the nature of the trip, pupils may be responsible for paying for the cost of these trips.

*All chaperones MUST have their clearances.

If your child requires medication during a field trip (i.e.; food allergies, asthma, diabetes) parents should send medication, including Epi-Pens and inhalers, to school in a clearly labeled Ziploc bag with child's name, name of medication and instructions for use. Teachers will hold all medications.

HOLIDAYS

School law provides that pupils may be legally absent for certain religious observances. The district maintains a list of holidays of various faiths and will recognize the child's absence for observance of them. Parents should notify the school prior to an absence of this type and will receive permission for the child to be excused.

HOMEWORK FOR ABSENT STUDENTS

If your child is absent for more than one day and you wish to request homework, please call the main office at 267-893-4100 before the student lunch hour, allowing adequate time for the teacher to prepare a listing of the assignments.

HOMEWORK THAT IS FORGOTTEN

Parents are encouraged NOT to bring in forgotten homework. Generally, children will learn responsibility and maturity more quickly if they develop an understanding of consequences and following procedures.

***For security reasons our school is locked daily at 4:05 p.m. Parents and students are not permitted to regain access to classrooms after hours.**

ILLNESS

The school nurse provides care to students who become ill or are injured at school. If a child has symptoms of illness present, he/she should remain home in order that other children do not become infected. Sick children should never be sent to school with the expectation that the school nurse can be called upon to diagnose a medical problem.

If a child becomes ill at school the nurse will call the child's parents or guardian. If they cannot be reached, emergency contacts will be called. Arrangements must be made to pick up the sick student as quickly as possible. If students are well enough to come to school it is expected that they are well enough to be sent out at recess time. Arrangements cannot be made for sick students to stay in school during outside recess times, unless a doctor's note is provided.

Students must abide by the most recent District Guidelines for Returning to School.

INSTRUCTIONAL SUPPORT TEAM (IST)

A Student Support Counselor is assigned to each elementary school in the Central Bucks School District. Among their responsibilities are facilitating programs which deal with specific affective issues and individual consultation for both developmental and crisis needs.

Meeting the needs of students with academic or behavioral difficulties is an important responsibility for the school. Teachers and parents may refer students having difficulty to the

Instructional Support Team. The Barclay team, consisting of the student support counselor(s), referring teacher, reading specialist, classroom teacher, school psychologist and the building principal meets regularly to develop instructional modifications to meet the special needs of these students. Contact Danielle Custer for more information: dcuster@cbsd.org.

INSTRUMENTAL MUSIC

All fourth, fifth and sixth grade students are invited to participate in the instrumental music program. Instructional classes meet once a week for thirty minutes, scheduled during the school day. Participation in the instrumental music program is voluntary.

String instruction is available for fourth graders and is offered outside of the students' normal instructional day (before school or at recess).

Vocal: Students in first grade through sixth grade will have vocal music instruction one period a week.

LIBRARY

A library is an integral part of the educational program of each elementary student. Our library is staffed with a professional school librarian who provides instruction in library skills and serves as a resource person in the educational program.

In the library, circulation procedures follow standard library practices. Books are normally checked out for one week for kindergarten, 1st grade and 2nd grade, and two weeks for 3rd grade, 4th grade, 5th grade, and 6th grade. If they have a book that is overdue, they may not take others from the library until the overdue books are returned. Should some damage occur to the book while it is in the student's possession, they must report this to the librarian so that repairs can be made. If the book is lost and /or damaged beyond repair, replacement cost will be determined. Lost and/or damaged books should be paid for before the final report card is sent home in June.

LOST AND FOUND

Throughout the year a large amount of hats, coats, gloves, lunchboxes, etc. are accumulated. If your child has lost an article of clothing, please ask them to check the lost and found or to speak with their teacher. Periodically during the year, the unclaimed contents of our lost and found will be donated to a local charity.

LUNCH PROGRAM

For the 2022-2023 school year, breakfast and lunch will be offered for all Central Bucks School District students. [Families needing assistance are encouraged to fill out the Free and Reduced Lunch Form available here.](#) Additional purchases can be made for supplemental food and drink.

LUNCH SCHEDULE

Daily Grade-Level Recess/Lunch Schedule			
	<i>Recess (30 minutes)</i>	<i>Lunch (30 minutes)</i>	<i>Grade-Level</i>
Lunch I	10:30-11:00	11:00-11:30	3
Lunch II*	1:30-2:00	11:30-12:00	6
Lunch III	11:30-12:00	12:00-12:30	1
Lunch IV	12:00-12:30	12:30-1:00	4
Lunch V	12:30-1:00	1:00-1:30	2
Lunch VI	1:00-1:30	1:30-2:00	5

MEDICATIONS

In order to protect the health and safety of our students we require students to bring **all** medications, which must be taken during the school day, to the Health Suite upon the student's arrival. Medication is to be brought in a bottle with the prescription on it indicating the name of the student, medication, amount to be taken, time to be given, and the physician's name. Non-prescription medication must also be left in the Health Suite. ***At no time should a student have any medication in his/her possession during the school day.***

All controlled medications must be hand-delivered to the school nurse or the principal's designee by a parent or guardian at which time it will be counted and signed for. Some examples of controlled medications include, but are not limited to: Ritalin, Dexedrine, Phenergan with Codeine, Ativan, Adderall, Tylenol #3, and Florinal with Codeine.

No medication will be administered to any student without the proper completion of the Medical Dispensing Form available in the Nurse's Office.

The form should also be used for non-prescription drugs when prescribed by a physician or dentist. This includes nonprescription medications like acetaminophen (Tylenol), ibuprofen, cough medicine, nasal spray, eye drops, etc.

More children with serious health problems attend public schools now than ever before. Consequently, the number of medications given to students during school hours has increased ten-fold in the last five years. Add to this the number of students seen for first aid, minor illnesses, and emergencies, and you can imagine how busy our health rooms have become. In order to service the students, the following are health room guidelines for parents:

John Barclay Elementary School-Family Handbook

- Students who are injured or become sick at school are a priority. However, schools are **not** clinics and cannot treat injuries and illnesses that don't occur at school. If your child becomes sick at home or is injured at home or at a sporting event outside of school hours, please do not ask the child to come to the school nurse for treatment.
- Please keep all emergency information up to date. When a sick child must be sent home, the telephone number of a responsible adult to contact is essential.
- Please let the school nurse know if there are any significant changes in your child's health.

NOTES FROM PARENTS

Notes are required from parents for all dismissal changes, pick up for early dismissal, absence, and being excused from physical education class. A student will not be released to another adult without written permission from the parent, proper identification, and authorization.

Please do not try to inform teachers of dismissal changes via e-mail or voicemail, as access to these systems during the day can be limited. Inform the office via note or direct phone.

NURSE'S OFFICE

Pupil services personnel who provide health services for students include certified school nurses, health room associates, consulting physicians, physician's assistants, nurse practitioners, and dentists. When the certified school nurse must be out of the building, the health room is staffed by a health room associate who is a RN or LPN and is familiar with first aid and emergency procedures.

Medical Examination: Medical examinations are required upon original entry of a child into school and again in grade six, in accordance with the School Health Act. We recommend that this examination be done by your family physician since he/she can best assist you in obtaining any necessary treatments and corrections. The required forms will be furnished by the school. Physical examinations completed by a private physician must be performed after September 1st of the previous school year. All exams should be submitted by October 15th. Students moving into the district from out of state must either show proof of a physical examination within the past six months, or they will be required to have a physical examination upon entrance. **District policy states that physical exams are required to be on file in order for student to participate in Field Trips.**

Dental Examinations: The Pennsylvania School Health Law requires that all students have a dental examination upon original entry into the school district and again in grade three. We recommend that this examination be done by your family dentist since he/she can best assist you in obtaining any necessary treatments and corrections. Dental examinations must be completed after May 1 of the current **school** year. Students moving into the district from out of state must either show proof of a dental examination within the past six months, or they will be required to have a dental examination upon entrance. **District policy state that**

dental exams are required to be on file in order for a student to participate in Field Trips.

Screenings:

Vision: Each pupil is given a vision test annually by a school nurse.

Hearing: Each year all pupils in kindergarten, first grade, second grade, third grade, resource room, and all children with known hearing problems are tested for hearing loss.

Height, Weight: Each pupil is weighed and measured each year.

Required Immunizations: The following immunizations must be completed **before your child can be admitted to school**. Medical or religious exceptions to this requirement can be explained by the school nurse.

1. **Diphtheria and Tetanus (DT):** Four or more doses of vaccine, one of which must be given at age four or older.
2. **Polio:** Three properly spaced doses of vaccine.
3. **Rubella (German measles), Measles,* and Mumps:** Two doses of vaccine, the first at twelve months of age or older.
*A second measles vaccine dose will be required for ALL students, not just those entering school for the first time.
4. **Hepatitis B:** Three properly spaced doses of vaccine.
5. **Varicella** Vaccine or proof of Chicken Pox is mandatory before entry.

A child must be admitted to school if there is documentation that one dose of each of the above immunizations has been given. State law requires that the immunization series must be completed within eight months of school entry or the student cannot be permitted to continue in school.

Illness and Injury at School: School personnel will make every effort to administer first aid in an emergency situation. If a child becomes ill in school or has a serious accident, the school will take appropriate action, including the procedures permitted by the parents as listed on the emergency card. Every effort will be made to notify parents in these situations.

Census Sheets: Census sheets are distributed at the beginning of each year to provide the school with information should an emergency occur during school hours. Census sheets also provide the school with information about any significant health concerns you have about your child (allergies, routine medications, and chronic conditions—such as, asthma, diabetes, attention deficit disorder, etc.). Please review the census sheet to include or update the information, and return it immediately. To keep this information current, please inform the school of any changes in phone numbers or medical status as soon as they occur.

Nurse: A certified school nurse or a staff nurse is in each elementary school five days a week from 8:30 a.m. until 3:30 p.m. Human Growth & Development classes are held in 4th, 5th, and 6th grade. AIDS curriculum is taught in 5th and 6th grade.

PARENT CONFERENCES

Established report card conference dates coincide with the conclusion of the first and third report card marking periods. Parents are encouraged to request a conference with the school faculty members whenever they have a concern about a student's progress. Parents can arrange a conference with a particular teacher by telephoning the office.

PARENT PORTAL

The Central Bucks School District uses *Infinite Campus* as its student information system. The **Parent Portal** allows parents/guardians to view schedules, attendance, immunizations, and assessment information. Parents can also update demographic information for their family.

Elementary school parents with students in Grades 1-6 will also be able to view, print and/or save their child's progress report directly from the Parent Portal.

PARENT TEACHER ORGANIZATION (HSA)

The Barclay HSA is very active in the life of the school. You are encouraged to become a partner with us in the education of your child. The Barclay Home and School Association (HSA) sponsors many programs and activities such as: student assemblies, family nights, book fairs, Spring Fair, Spring Fair, and much, much more. Flyers announcing scheduled events and meetings are posted each week on the school website.

All parents are encouraged to become active members of the parent-teacher organization. Through the efforts of Barclay's Home and School Association, funding is provided for school assemblies and additional resources for learning. Parents may join our HSA at any time or may register at our Back-To-School nights.

PARTIES

There are three parties during the school year. They are Halloween, Winter Holidays, and End-of-the-Year celebrations. The HSA Head Homeroom Parent coordinates these parties with the classroom teacher, who has final authority to make all decisions on party related matters. In accordance with our Wellness Policy, all snacks provided during parties should be healthy (one “sweet” is usually permitted for each party).

There is a great age difference in the children at Barclay. Some younger children find scary masks and costumes frightening. Parents of older children should help to guide their children to wear costumes that will provide fun for all age groups. It is not mandatory for a child to participate in Halloween activities at school. If parents are uncomfortable with any activity for personal or religious reasons, they may pick up the child before the activities begin and take him/her home.

Five adult helpers will be able to attend parties for students in grades K-6.

**All chaperones MUST have their clearances card or have their clearances on file with the district.

PROGRESS REPORTING SYSTEM

Central Bucks elementary schools transitioned to a Standards-Based Reporting system. The purpose of the Standards-Based Reporting system is to provide detailed feedback to parents, students, and teachers regarding the progress their child is making toward specific learning standards at their grade level. A standards-based report allows parents and students to understand more clearly what is expected in school and how to help them be successful in a rigorous academic program.

The standards-based system measures how well individual students are doing solely in relation to grade-level learning goals or standards. This gives parents, teachers, and students an understanding of what students have mastered and what they need to continue to work toward learning. Standards identify specific strengths and weaknesses. These give quality information from which to general goals for continued growth.

To view the entire parent Handbook on our Standards Based Reporting System, please visit the following link <http://www.cbsd.org/cbelementaryreportcard>

RECESS

Extra time is scheduled during lunch so that all children can have a recess period. The school believes that this time out-of-doors and away from the classroom atmosphere promotes learning. The school district’s policy requires each child, when weather permits, to attend lunch recess, unless excused by a doctor. Your child should be dressed appropriately.

When indoor recess is necessary, the classroom teacher establishes appropriate plans. The use of personal technology is not allowed during recess. Skateboards, in-line skates, and motor-operated vehicles are also prohibited. The Barclay staff provides appropriate supervision during recess.

REGISTRATION

Upon registration, a document giving proof of age must be presented along with a complete immunization record of 4 DPT, 3 Polio, 2 Measles, Rubella and Mumps, and 3 Hepatitis B. Proof of residency must also be provided. Most registration forms are now available at www.cbsd.org.

Children registering for Kindergarten must be five years old on or before September 15 of that school year. Children registering for first grade must be six on or before September 15 of that school year.

SCHOOL HOURS / STUDENT ARRIVAL TIME

Daily School Hours

Barclay is a “C” School

- Arrival begins at 8:45 AM
- Student Day Begins at 9:05 AM
- Student Day Ends at 3:45 PM
- Dismissal Ends at 4:05 PM
- For early dismissal days- dismissal begins at 12:25 PM
- For 2 hour delay days- arrival begins at 10:45 and the student day begins at 11:05

Kindergarten

- Morning Kindergarten begins at 9:05 AM (arrival begins at 8:45 AM) and ends at 11:40 AM
- Afternoon Kindergarten begins at 1:10 PM and ends at 3:45 PM
- Beginning in the 2019-2020 school year, we will implement a “modified kindergarten” schedule on weather delay days. The schedule will be as follows for Barclay: AM Students 11:05 AM – 12:50 PM and PM Students 2:00 PM – 3:45 PM

Pupils will be admitted into the school building at 8:45 a.m. Since adequate supervision is **NOT PROVIDED** prior to 8:45 a.m., we urge you to plan for your child's home departure so that he/she will **NOT ARRIVE BEFORE** this time. In the interest of your child's safety, it is urgent that you control his/her arrival time.

SCHOOL PICTURES

School pictures are taken once a year for the student’s cumulative record. Parents are not required to purchase picture packages made available by the school photographer, but may do so if they wish. Advance notice is sent home. Picture retakes are available for those absent the day of picture taking. Retakes for other reasons may be arranged with the school photographer.

SCHOOL SAFETY

Barclay is actively engaged in a variety of steps to keep our students safe. After children arrive for school all doors are locked except the main entrance. This main entrance is monitored during the school day. Staff members and visitors wear identification badges so that it can be quickly determined if there is an unauthorized visitor in the building. Emergency procedures--such as, fire drills, lockdowns, and tornado alerts—are practiced. The school has a safety plan in use in emergency situations. School personnel have been trained in conflict resolution and peer mediation. Any threat to harm a student is taken very seriously.

The district promotes the School Watch Hotline, sponsored by the Bucks County Commissioners, the Bucks County Intermediate Unit, and the Bucks County Law Enforcement Agencies. The hotline is for confidential reports of a potential act of violence, theft, vandalism, drug or alcohol use, or weapons possession in or near a school. State law also requires each school to immediately report suspected cases of child abuse.

Barclay has a school environment that is caring, nurturing, and supportive of children and families. The teachers and parents at Barclay maintain strong communication with each other. The Barclay PTO organizes many events which promote quality family time.

Central Bucks is also supporting several community efforts which are part of the Healthier Community initiative spearheaded by Doylestown Hospital. These include the *CB Healthier Team Project*, a community-wide program to create a healthier and more loving community for children and teenagers. Other partnered community groups include Bucks County Council on Alcoholism & Drug Dependence, Bucks County Department of Health, Central Bucks Chamber of Commerce, Central Bucks Family YMCA, Doylestown Hospital, United Way of Bucks County, and the Village Improvement Association, as well as individual community members. Barclay also supports the Forty Assets Program.

SPECIALS

Special	Kdg	Grade 1	Grade 2	Grade 3	Grade 4	Grade 5	Grade 6
Art		40 min	40 min	40 min	40 min	40 min	40 min
Music		40 min	40 min	40 min	40 min	40 min	40 min

Physical Education	20 min	40 min	40 min	40 min	40 min	40 min	40 min
Library	20 min	40 min	40 min	40 min	40 min	40 min	40 min
QUEST		40 min	40 min	40 min	40 min	40 min	40 min

SPECIAL EDUCATION

The needs of exceptional students are provided for through a number of in-building and regional special education programs. Included are Central Bucks programs for intellectually gifted students, learning disabled students, learning and adjustment students, autistic students, etc. Services are also available for students with visual, auditory, physical, and speech impairments.

STANDARDIZED TESTING

In accordance with the recommendations of the professional staff and state requirements, a district-wide testing program is conducted. It provides information about our students' learning strengths and weaknesses and the school curriculum. Standardized tests of academic achievement and aptitude will be given according to the following schedule:

Third Grade Pupils	Grade 3-Performance Assessment - Winter/Spring Pennsylvania System of School Assessment-PSSA English Language Arts, Math-April
Fourth Grade Pupils	Pennsylvania System of School Assessment-PSSA English Language Arts, Math - April Science - April
Fifth Grade Pupils	Pennsylvania System of School Assessment-PSSA Writing - March English Language Arts, Math - April
Sixth Grade Pupils	6 th Grade Performance Assessment-February Pennsylvania System of School Assessment-PSSA English Language Arts, Math - April

1. Informal screenings and inventories to determine reading placement, or other preliminary and tentative assessments for instructional purposes, do not require parental permission and results are not normally reported to parents unless additional formal evaluations seem to be necessary.
2. Individual formal assessments for pupils not enrolled in special education programs require parental permission, and the principal generally requests this. Information that is collected in this process is confidential and is always reported to parents.

3. Your child's test results will be checked carefully and maintained in the school record as long as your child attends school in Central Bucks. No individual or agency outside of the school system will be permitted to inspect your child's school record without your written permission.

=

STUDENT RECOGNITION

Boomerang Awards are presented to the students throughout the year recognizing academic achievement, citizenship, and improvement. Additional awards are presented at an Awards Assembly to our sixth grade students following our promotion exercises. The Presidential Academic Excellence Award is presented in accordance with the guidelines established by the agencies sponsoring these awards.

STUDENTS' RECORDS - ACCESS

As a parent you have the right to inspect, review, copy, and request correction of your child's school records. All requests for access to your child's education records are to be in writing and must include the following: Requester's name, correct address, and the reason for requesting access to the information.

Please note: Each parent will have access to the child's records unless the school district has received a copy of a court order, or similar legal document, which limits the access. This policy will prevail even if only one parent has custody of the child.

IMPORTANT NOTE:

Occasionally, situations develop where a child is not to be released to certain persons. In all such cases, please furnish the school office and your child's teacher with a note explaining the specifics of your request.

Please know that it is not the school's responsible to enforce custody agreements between parents. We will attempt to abide by **court** ordered instructions provided that:

1. We have a copy of it.
2. The order is issued by the court with jurisdiction.
3. The order is current.
4. The order is appropriately authorized.

More importantly, however, your child should know your instructions and with whom he or she is allowed, or not allowed, to go.

TARDINESS

Promptness to school is very important to us for two reasons:

1. A desirable punctuality pattern is formed.
2. Class work/assignments are often missed by students arriving late to class.

If a student is tardy, he/she should be escorted into the office by an adult and signed in at our reception desk. The student will then be issued a "pass" to enter the classroom. If the child is not signed in he/she could be marked absent for the entire day. Students are marked "late" if they report to school after 9:05 a.m. **Latenesses can accumulate to constitute an illegal absence.** (330 minutes of cumulative lateness will constitute an illegal absence).

TELEPHONES

Office and classroom phones are not available for student use except in an emergency. Messages and deliveries from home should be left in the office. Students will be called out of class only in an emergency.

Each teacher has a direct dialed telephone number with voice mail. Teachers are prohibited from answering classroom telephones during the instructional day. Incoming calls to classrooms are automatically routed to voice mail between the hours of 9:05 and 3:45 PM.

TEXTBOOKS/MATERIALS

The school furnishes books and other materials to all students. This is done with the hope that this major investment will be properly safeguarded. Reasonable depreciation is expected as a result of daily use. **UNREASONABLE DAMAGE TO TEXTBOOKS WILL RESULT IN A FINE.** Lost textbooks must be paid for and replaced immediately. The fines for these must be paid to the office at the time of damage or loss.

The desire to teach our children to be responsible for possessions and the high cost of textbooks necessitates that you encourage your child to take appropriate care of their school texts.

Students are responsible for all textbooks and library books issued to them during the school year. All lost or damaged supplies must be paid for before final report cards are issued in June. Please contact the school whenever a textbook is lost so that a replacement can be given to the student. The office can also provide prices for replacements. If a lost book is found, monies paid will be refunded.

TIPS FOR PARENTS

- Parents can help create safe, positive schools.
- Discuss the school's discipline policy with your child. Show your support for the rules, and help your child understand the reasons for them. Involve your child in setting rules for appropriate behavior at home.
- Talk with your child about the violence they see on television, in video games, and possibly in the neighborhood. Help your child understand the consequences of violence.
- Teach your child how to solve problems. Praise your child when they follow through.
- Help your child find ways to show anger that do not involve verbally or physically hurting others. When you get angry, use it as an opportunity to model these appropriate responses for your child—talk about it.
- Help your child understand the value of accepting individual differences.
- Note any disturbing behaviors in your child. For example, frequent anger outbursts, excessive fighting and bullying of other children, cruelty to animals, fire setting, frequent behavior problems at school and in the neighborhood, lack of friends, and alcohol or drug use can be signs of serious problems. Get help for your child. Talk with a trusted professional in your child's school or in the community.
- Keep lines of communication open with your child and your child's teachers—even when it is tough. Encourage your child always to let you know where and with whom they will be.
- Get to know your child's friends. Listen to your child if they share concerns about friends who may be exhibiting troubling behaviors. Share this information with a trusted professional--such as the school psychologist, principal, or teacher.
- Be involved in your child's school life by supporting and reviewing homework, talking with their teacher(s), and attending school functions--such as, parent conferences, class programs, open houses, and parent meetings.
- Work with your child's school to make it more responsive to all students and to all families. Share your ideas about how the school can encourage family involvement, welcome all families, and include them in meaningful ways in their children's education.

TRANSFER POLICY

In order to aid a child's transfer from one school or school district to another, the parent should notify the school of the intended withdrawal date several days in advance. A records release form should be completed at the new school and forwarded to Barclay. Upon receipt of the records release, Barclay Elementary will transfer those records to the new school.

Parents must also notify Central Registration 267-893-2111 to withdraw from the household.

VALUABLES

Expensive toys are not permitted in school. The only exception is for special "Show and Tell" activities. If a student brings any of these items to school they are subject to confiscation. Barclay will not be responsible for any lost or stolen toys, electronic games, cell phones, etc.

VISITORS

No parent is permitted to enter the school and walk in the halls or go to a classroom without permission and a visitor's pass from the office. If you are delivering a lunch, books, sweater, instrument, etc. to your child, we will call the student down to the office.

Visitors will be "buzzed in" to the office after they have identified themselves via the intercom system located on the door frame. All visitors unknown to us will be required to show photo ID in order to enter and receive a visitor's badge. Please follow the directions adjacent to the intercom. Visitors will receive a badge color coded to their destination and will have their name, date and location written on the badge.

Only adults with appointments will be permitted to access the building. Visitors are discouraged from interrupting the instructional day without a prearranged appointment; therefore, each week, teachers and staff will submit a list of expected visitors including visitors for conferences or meetings, volunteers, PTO committee members, mystery readers, lunchroom helpers, etc. Only those on our weekly list will be permitted to leave the office and enter the main building to go to their appointed destination.

VOLUNTEERS

Our school encourages and welcomes parent involvement in accordance with the most recent District Health and Safety Plan. Among the opportunities available to volunteers are working in the library, tutoring students, and helping in the classroom. Pennsylvania law requires all persons having direct contact with school children obtain background checks and clearances, effective July 1, 2016. Required clearances, along with links to the state's websites, can be

found on the district's website (www.cbsd.org). Please contact your child's teacher for information.

WEAPONS POLICY

The District will not tolerate any weapon in school, even when there is no actual or implied threat. This is the only way we can insure a safe and orderly climate for all students and staff members. Possession, use, or transfer of a firearm will result in expulsion from school.

The weapons policy is covered in the Central Bucks School Board Manual, Sections #218 and #233. Please review these regulations with your son or daughter:

1. If a student possesses, uses, or transfers a firearm, the mandatory penalty is expulsion from school for a period of not less than one year. There is absolutely no discretion allowed under the law in assessing the penalty, no matter what the circumstances or the age of the child.
2. Any knife is considered a weapon, not just hunting knives or switchblades. This includes pocketknives – such as, penknives, Swiss Army knives, or Scout knives. Sometimes it is common for adults and students to carry pocketknives without thinking of them as weapons. Do **not** allow your student to bring one to school.
3. Any object used to inflict or threaten bodily harm is considered a weapon, no matter what the object's primary purpose. The fact that the object is not what would be traditionally called a weapon is not a mitigating factor in such a situation.

In all cases, possessing a weapon in school will result in an immediate suspension for up to ten days; the police will be notified, and the student may be subject to arrest. Further disciplinary action may also include expulsion from school.

Weapon “look-alikes” are also threatening, as they are indistinguishable from the actual weapon. It follows that the same discipline procedure would be applicable.
