

Welcome to Mrs. Woodrow's Classroom!

I am honored to have the privilege of teaching your child. It is a charge I take seriously, and honor respectfully. As we look toward the new academic year, I would like to introduce myself, as well as share some thoughts and information.

My name is Angela Woodrow and I will be your child's teacher this year for first grade at Pine Run. I am excited to have this opportunity.

I'd like to take this time to share something about myself. I studied at Saint Joseph's University and currently live in Huntingdon Valley. Over the years I have different teaching opportunities. Each experience has helped me grow as a teacher and understand the importance of quality education in the early years of a child.

I believe you are the expert when it comes to your child. You have already spent many years as the most important teacher in his/her life. The more we communicate, the better chance we'll have of maximizing your child's potential.

The relationship I have with you and your child is important to me. Feel free to use the contact information below if you have questions, concerns and/or ideas.

Thank you,
Angela Woodrow
