

Dear Parents:

Summer Band Camp & Beginner Lessons are designed to provide opportunities for students to learn and perform on a band instrument.

Beginning band students will receive four 45-minute lessons on their instrument **each week** (totaling eight lessons per camp). Lessons will be taught in either an individual or small group setting, depending on enrollment.

A **beginner** is a student who has **never** taken lessons on their instrument. Beginning students should register for both sessions, if possible.

Experienced band students will receive four ensemble rehearsals and two 30-minute private/semi-private lessons each week (totaling 8 band classes and four private lessons per camp).

Lessons will be scheduled **either** on **Monday/Wednesday** or on **Tuesday/Thursday**.

Ensemble rehearsals will take place each day from 9:30-11:00 with the lesson schedule built before & after the band class.

You may register on-line and or by mail. In either case, you **MUST fill out the**

registration form with the information about your child and mail it to the Community School. You will find the mail-in registration page link on the left side of www.cbsonline.com
