

Dear Students and Parents,

I hope that you are enjoying your summer vacation! My name is Mrs. Moira Downey-Miller, and I am one of the Learning Support Teachers at Warwick Elementary. I have been teaching in the Central Bucks School District since 2004. Previously, I taught in a private high school affiliated with the University of Pennsylvania Hospital for students with emotional disabilities and maladaptive behavioral problems. I have also been trained to work with children with autism and behavioral concerns. I have my Master's Degree in Education with a concentration as a Reading Specialist. I am trained to teach the beginner's and advanced levels of the Multi-Sensory Reading Program. In addition, I completed my graduate program at Delaware Valley University and earned my Supervisor of Special Education Certification.

Outside of work, I have two boys, Dylan who is 12 and Jackson who is 9. My husband, TJ, is an Upper Dublin Police Officer. We live in Cheltenham, where I am a volunteer fire fighter. I have been working for the Cheltenham Fire Company for 18 years. When I am not teaching, fighting fires, or running the boys around to their sports activities, I practice hot yoga and strength train. I also enjoy participating in Obstacle Course Racing such a Spartan Races and Tough Mudder Events. I recently completed classes at the National Personal Training Institute in order to earn my certification to be a Personal Trainer.

I look forward to working with both you and your child in order to have a successful school year.

Sincerely,

Mrs. Moira A. Downey-Miller
