## Social Studies

**Overview:** Our Social Studies unit this month is all about Farms. We learned about farm animals and last week we visited a Dairy Farm.

This week we will learn all about agriculture. Agriculture is the practice of farming, growing crops or raising animals.

This week we are going to

talk about growing different crops on a farm.

### Things to Know:

1. Sit with mom, dad, grandparent or guardian, or your older brother or sister to

enjoy the activities.

2. You will submit a picture of your drawing for this assignment.

3. This week's lesson for Social Studies will be identifying different crops, with a focus on fruit.

4. Read the book and you can follow along. Log onto Bookflix by searching:

**Explanation:** You will read a book about agriculture and take a picture of your drawing of fruit.

Tasks	Resources
<b>Lesson Introduction:</b> Brainstorm some ideas.	<b>How does food from a farm get to your table at home? We talked about how milk and other dairy products are produced. Now brainstorm some ideas out loud with a parent, sibling, or stuffed friend about how fruit and vegetables are grown and prepared to go on your table for you to eat. Today we are going to learn about agriculture. Agriculture is the practice of farming. This includes different crops;</b>

	<p><b>fruits and vegetables. This week we are focusing on fruits.</b></p>
<p><b>1. Learn:</b> Introduce to agriculture and growing crops.</p>	<p>Listen or read this story about <i>A Garden Full of Sizes</i> on bookflix. <p><b>2. Try: You are a farmer</b></p>	<p>Tell an adult, sibling or stuffed friend 2 fruits you would like to grow?          Maybe you already plant fruit in a garden at your house. Which one is your favorite?</p>
<p><b>3. Do:</b></p>	<p>* Watch this fun Wonder Grove video. It is about two children that go to the grocery store and learn how the fruit and vegetables grow before they are brought to the store.  <a href="https://youtu.be/CdPRZ3wjCxA">https://youtu.be/CdPRZ3wjCxA</a></p> <ul style="list-style-type: none"> <li>• Now draw a picture of your favorite kind of fruit. I couldn't decide, so I drew a whole bowl full of different fruit. See my example here. Please remember to label your drawing.</li> </ul>

**4. Extra Practice:**  
Write some sentences about fruit that you have in your house.

- You could look at the fruit in your house and create a sentence for each one. Example: I have strawberries in my house. Here is my sentence: *I like to go strawberry picking with my family.*

**5. How is this assignment turned into the teacher?**

Please draw a picture of your favorite kind of fruit. Please label the picture with the fruit's name, example above. Take a picture of your drawing and submit that to your teacher for your SS work today. We can also "conference" about your work if you are having difficulty during my "office hours". Thank you and have fun learning today!
