

## **Kindergarten, Day 11 Math**

**Overview:** You will count, read, and write numbers 1- 20. You will use the teen numbers to practice place value.

**Estimated Time:** Approximately 15 minutes

### **Things to know:**

1. Sit with mom, dad, grandparent or guardian, or your brother or sister to practice the activities for the day.
2. If you do not have the supplied worksheets or access to any of the worksheets, it is fine to create your own based off the supplied worksheets.
3. More specific directions are provided on each sheet/activity that goes along with these lessons. I will send these sheets through email.

**Explanation:** You will practice writing numbers 1-20. You will be making a ten and counting on using “teen” numbers.

### **Tasks:**

1. Write the numbers to match the number, the number word, or the picture amount for numbers 1-20 on the lines below. Note: The numbers will NOT be in order.
2. Watch this video:  
<https://watchkin.com/17491a36a9>

**Extra:** Only do this activity if you want more practice.

3. Complete the number sentence by drawing dots in the ten-frame to represent the tens and ones. Write the teen number you make on the line.

How is this assignment turned in to the teacher: (Teacher completes this section based on the tool they are using with their class.)
