

Kindergarten, Day 6 Math

Overview: You will practice addition and making number sentences to match within 5.

Estimated Time: Approximately 15 minutes

Things to know:

1. Sit with mom, dad, grandparent or guardian, or your brother or sister to practice the activities for the day.
2. If you are unable to print the worksheets to go along with this activity. Use household items for your child to count and add like beans, noodles, stuffed animals, etc.
3. If you do not have the supplied worksheets or access to any of the worksheets, it is fine to create your own based off the supplied worksheets.
4. More specific directions are provided on each sheet/activity that goes along with these lessons. I will send these sheets through email.

Explanation: You will color a picture to represent an addition story and then write the number sentence that represents it to practice addition facts within 5.

Tasks:

1. Using the given picture, color the pictures to represent an addition story and then write the number sentence that represents it.
2. Draw 6 different ways to get to five. Write the number sentences to match.

How is this assignment turned in to the teacher: (Teacher completes this section based on the tool they are using with their class.)
