

## **Kindergarten, Day 7 Math**

**Overview:** You will practice using a ten frame to add numbers to 10 using number stories.

**Estimated Time:** Approximately 15 minutes

### **Things to know:**

1. Sit with mom, dad, grandparent or guardian, or your brother or sister to practice the activities for the day.
2. If you are unable to print the worksheets to go along with this activity. Use household items for your child to count and add like beans, noodles, stuffed animals, etc.
3. If you do not have the supplied worksheets or access to any of the worksheets, it is fine to create your own based off the supplied worksheets.
4. More specific directions are provided on each sheet/activity that goes along with these lessons. I will send these sheets through email.

**Explanation:** Add using ten-frame to practice addition facts within 10.

### **Tasks:**

1. You will use a ten-frame to add to find how many in all.
2. You will make your own ten-frame picture to tell how many in all.

How is this assignment turned in to the teacher: (Teacher completes this section based on the tool they are using with their class.)
