

## **Kindergarten, Day 5 Math**

**Overview:** Create addition stories.

**Estimated Time:** Approximately 15 minutes

**Explanation:** You will create addition stories using pictures, fingers, and drawings.

### **Things to know:**

1. Sit with mom, dad, grandparent or guardian, or your brother or sister to tell addition stories.
2. An example is provided for you on the sheets to follow through email.
3. If you do not have the supplied worksheets or access to any of the worksheets, it is fine to create your own based off the supplied worksheets.
4. More specific directions are provided on each sheet/activity that goes along with these lessons. I will send these sheets through email.

### **Tasks:**

1. Using the given pictures, what can you see in the picture? Tell an addition story about it.
2. Draw your own picture and tell an addition story about it.

**How is this assignment turned in to the teacher:** (Teacher completes this section based on the tool they are using with their class.)
