

Grade Kindergarten- Science Outdoor Education Thursday, May 21, 2020

Overview: We will take our classroom outside today for Outdoor Classroom Day. We will explore the glory of nature and all we can learn from it.

Things to Know:

1. Work with mom, dad, grandparent or guardian, or your older brother or sister to enjoy the outdoor activities rain or shine 😊
2. Today we will watch the intro to Outdoor Classroom Day.
3. Click on the choice board link and complete some activities outdoors today.
4. Enjoy our Outdoor Classroom Activities. If you do not finish all the activities, you can easily save them for another day 😊
5. Have fun learning outside today.

Lesson Introduction & Learn	We are so excited to take our Science learning outside and participate in Outdoor Education Day today with the other classes at Warwick and across the entire world! Rain or shine get ready to celebrate the Wonder of Nature!

<p>1. Check out this link for directions</p>	<p>We learned on Tuesday that Outdoor Classroom Day is a global campaign to celebrate and inspire learning and play outside the classroom, led by social enterprise Project Dirt and supported by Unilever’s Dirt is Good brands. On Outdoor Classroom Day, schools across the world take at least one class outdoors, teaching essential skills and raising awareness of the importance of play.</p> <p>Two teachers from Warwick, Mr. Heine and Mrs. Dougherty have an introductory lesson for you to watch. It will give you both directions for Seesaw as well as directions for school wires, which is how you will view it.</p> <p>: https://www.wevideo.com/view/1711412985</p>
<p>2. Do: Have Fun!</p>	<p>Here is the link for our outdoor classroom fun choice board. Please note that once you open the link, you have to click on the blue “OPEN” button to the left of the Warwick Bear (upper left corner of page). Then click “open in browser”, it should open right up. Get ready to click on some fun. You will see two of these activities were posted on our science lesson for Tuesday.</p> <p>Have fun learning outside today!</p> <p>https://tinyurl.com/OCD20Menu</p>

3.Extra Practice:	<ul style="list-style-type: none">• You can continue your Outdoor fun by completing an extra activity from the choice board that you didn't do.• You can find some books all about outdoor games, sports and activities to read. Have fun!• With Mom/Dad's permission, you can go outside and complete your own outdoor activity; ride your bike, play soccer outback, dance in the grass, write with chalk
4. How is this assignment turned into the teacher?	As the week goes on and you complete any of these Outdoor activities, please submit a picture of it to your teacher. You do not need to turn in any assignments from today's Outdoor Classroom Day. We can also "conference" about your work if you are having difficulty during my "office hours". Thank you and have fun learning today!
