

Kindergarten, Day 3 Math

Overview: Counting and Writing Teen Numbers 11-19.

Estimated Time: Approximately 30-40 minutes

Explanation: You will count pictures and write teen numbers 11-19.

Things to know:

1. Sit with mom, dad, grandparent or guardian, or your brother or sister to practice counting and writing the teen numbers 11-19.
2. If you do not have the supplied worksheets or access to any of the worksheets, it is fine to create your own based off the supplied worksheets.
3. More specific directions are provided on each sheet/activity that goes along with these lessons. I will send these sheets through email.

Tasks:

1. Write numbers 11 to 19 and fill in the ten frame to match each number amount.
2. You will count the given pictures and write each number.

How is this assignment turned in to the teacher: (Teacher completes this section based on the tool they are using with their class.)
