

June 14, 2019

Dear Families,

My name is Michelle Jacobs, and I will be your second grader's teacher this year! It was wonderful meeting everyone on Move Up Day; I can already tell 2019-2020 is going to be an amazing year!

We will be reading chapter books, writing stories that jump off the page, exploring multiplication and division, and studying rocks and minerals and so much more. I have included some helpful tips to get the year off to a smooth start as well as a list of suggested school supplies.

Here are some helpful tips for the start of second grade:

Dismissal: In August, look for an email from me that will ask you how your child will travel home each day. It's important that you keep me up to date with any changes throughout the year.

Snack: We will have a snack daily. Please send in a nutritious snack each day. Your child may also have a juice box or water with snack.

Lunch: Eating lunch in the cafeteria is now a familiar routine. If your child is packing a lunch, please label it with his/her first/last name and "2Jacobs". If your child is bringing money to purchase his/her lunch, please place it in a small envelope labeled with his/her name and lunch choice.

Please feel free to email me at mljacobs@cbsd.org if you have any questions or concerns.

It will be my pleasure to get to know your child and to work with you this year. Together we can ensure that your child has a super 2nd grade experience.

Sincerely,
Michelle Jacobs

School Supply List for Mrs. Jacobs's Class

Quantity	Item	Picture
