

Week of April 6-April 9, 2020

**Monday is our Launch of Phase 2 Connection Day.
We will post Lessons on Tuesday and Wednesday this
week.**

**Celebrate Spring Break with your family on Thursday,
Friday, and Monday.**

**We will resume posting Lessons on Tuesday, April 14,
2020.**

Kindergarten Tips for School Success During Phase 2 Distance Learning

- *Find a happy place to do your Distance Learning
each day.**
- * Look at my Distance Learning site with mom or dad.**
- *Review the posted Kindergarten Weekly Schedule
and Phase 2 Expectations.**
- *Create a Check List and check off each
accomplishment as you complete it.**
- *Choose the order in which you work on the lessons!**

***Sit in a comfortable chair. Keep a cozy blanket and pillow near you.**

***Make sure you have good lighting.**

***Include some things you love in your leaning space- fun books, stuffed animals, living plant.**

***Make sure you have your pencil case with sharpened pencils, crayons, scissors, and paper.**

***Build in Brain Breaks, Movement Breaks, and Snack Breaks each day 😊**

***Email your finished work to your teacher or show your work in Teams to your teacher during “Office Hours,” weekly or daily (whatever works best in your family’s schedule)**

***Show your GRIT and perseverance. Keep shining so everyone can see your glow!**

***Remember I miss you and our entire class and hope to be back together at Warwick soon 😊**
