

Dear Sixth Grade Student,

Welcome to sixth grade! While this will be a different start to our year than we are used to, I am really excited to be your teacher for the upcoming 2020-2021 school year.

This year school starts on Tuesday, September 8th. Please be sure that prior to Tuesday, you followed all directions for setting up your laptop and practice making a Teams call using the links I sent it today's email. This will help us have as smooth of a start to our year as possible.

Listed below is a grade level supply list, which also includes some items needed for classes such as art and gym.

- ✓ White board and dry erase markers
- ✓ Jump Rope
- ✓ Any size ball
- ✓ Sidewalk chalk
- ✓ 5 plastic sleeves/sheet protectors
- ✓ Headphones or earbuds with microphone
- ✓ Pencil
- ✓ Erasers
- ✓ Color pencil (12 ct.)
- ✓ Washable markers (broad tip, 10 ct.)
- ✓ Crayons (24 ct.)
- ✓ Black sharpie (fine Point)
- ✓ Glue stick
- ✓ Scissors
- ✓ Watercolor (8 ct.) and brush in the set
- ✓ Hi-lighter
- ✓ Composition notebook (1)

In addition to the supply list above, please have **six pocket folders with prongs** (any colors) similar to the folder you received in your blue drawstring CB bag and **a pack of lined paper with three-punch holes**. We will set up our folders together so do not label them on your own. **Please have all of these materials by Monday, September 14th.**

Sixth grade is an important school year. While this year may not look like years past, still be prepared to work hard in order to have a successful and fun-filled year. I hope you enjoy the Labor Day weekend!

Sincerely,
Miss Tagye
