A Message from the 2017-2018 Council

To our Titans Connect Members, Parents, and Alumni:

We are extremely grateful for all of your support and hope that Titans Connect changes your lives as much as it has changed ours. The memories and friendships made here at CB South last a lifetime, and they may well be the best ones we have. The promise of a new year of activities is exciting, and we cannot wait to get to know each other better. Every event brings the huge Titans Connect community closer together, and we are most certainly a family by the end of the school year! All we ask from you is that you are here for us whenever possible, and that you are an active member of Titans Connect. With your dedication, we grow stronger. Thank you!

**Sincerely,
the 2017-18 Titans Connect Council**

Board Games: September 14, 2017

This September, we celebrated the first Titans Connect meeting with our favorite activity--board games! We had a HUGE turnout of close to 150 kids, which is super exciting and inspiring! Fun was had by all!

Thanks to all of our friends who came out!

Octoberfest: October 19, 2017

This month, we worked on a beginning-of-fall art project! The tree shown above represents the beauty in our connections, and each puzzle piece is made by a Titans Connect member. Special thanks to Joe Galante for the magic show!
