

2021-2022 Lenape String Ensemble Auditions

Thank you for your interest in auditioning for the select Lenape String Ensemble. This ensemble is made up of 7th, 8th, and 9th grade string students and is a great way to learn new music and to connect with other Orchestra students. Please review the following information carefully and let Mrs. Tosti know if you have any questions. **String Ensemble auditions will take place after school the week of September 27th.** Please practice so that you feel prepared for the audition and do your best. You may have difficulty with it, but that's ok!

Rehearsals

- Audition results will be posted in late September. String Ensemble rehearses Thursdays after school from 2:40-4:00 PM. Our rehearsal and performance calendar is on my teacher site:

Please work hard to prepare your audition but also be patient with yourself. String Ensemble is a lot of fun but works on challenging music, so it is important that you practice for the audition AND throughout the year. I look forward to hearing your audition. Good luck!
