

## THE BUBONIC PLAGUE ONLINE INTRODUCTION

**Main Idea:** The Bubonic, or Black, Plague was a catastrophic event that seriously impacted Europe during the Middle Ages and led to the decline of feudalism. Today, as an introduction to the Black Plague, you will be viewing many different types of resources to gain an overview of what the Black Plague was; how and where it spread; and what the effects of it were for Europe.

### **Directions:**

Use the answer sheet given to you in class to record all your answers. If you are working with a partner, you each need your own paper! Click on each link below, and then answer the following questions on your answer sheet. You do not need to write in complete sentences; just answer the question thoroughly and completely!
