

**SAT Math Prep
College Research Assignment**

1. Due on or before **Friday Oct 27** – submit the name of the school that you would like to research. No duplications are permitted so we will operate on a first come – first serve basis.
2. Presentations will be on Wednesday and Thursday, November 8 and 9.
3. You are required to make an 5-8 minute presentation to the class in order to inform us about your school. Your presentation must include each of the following on a PowerPoint:
 - Name of school **and why you selected it**
 - Location (include description of location)
 - Requirements for freshman admission (include SAT scores, SAT II, ACT, GPA, recommendations; include statistics from recent freshman classes)
 - Application fee
 - Annual expenses (room, board, tuition, fees, etc.)
 - Financial aid information
 - Colleges/Majors for which the school is known – does the school offer a program for your field of interest?
 - Information about student life (student activities/facilities, athletics, etc.)
 - Graduate information (what do their graduates do after graduation, graduation rates, etc.)
 - **Other interesting facts about the college or university in addition to what is in the College Handbook/Naviance**
 - ***Pictures of your school**
4. You must also create a one-page pamphlet about your college which really captures the school. This is in addition to the PowerPoint. Your visual aid must have:
 - **At least 2 Pictures of your school/campus**
 - tuition information
 - SAT requirements
 - An interesting fact about your school and one other piece of information from the above list (from power point).
 - Also, don't forget to be neat and put your name on it.
5. Due Dates:
 - Powerpoint: by the end of class on **Monday, Nov 6**. Must be saved on my sharedrive named as "Lastname CollegeName". For example: *McGlone Stanford*
 - Pamphlet: due at the beginning of class on **Tuesday, Nov. 7**.
