

## ( Precalculus / Trig 3 ) Distance Learning Activity, Day ( 3/31/2020 ) (Mathematics)

### Overview:

Review #7

**Estimated Time:** Approximately [45 minutes]

### Explanation:

This review will cover concepts from Precalculus / Trig that are prerequisite skills in order to make you more confident when we move onto new material.

### Materials that are Needed:

OneNote / email

### Things to know:

I am available for questions regarding content through your CBSD email account. Please be specific about your question if referencing a specific problem, so I may provide you with meaningful feedback (for example, worksheet 5.5, #7).

### Tasks:

1. Instructional Input Activity  
**Students should complete** the review of discontinuous functions.  
Student will go to our class OneNote and find the tab labeled Distance Learning Plans. The lessons are organized by date. Please find the lesson labeled 3/31/20.
2. Guided Practice Activity  
Prerequisites Review worksheet
3. Independent Practice Activity  
Complete the Prerequisites Review and make corrections/revisions using the solutions provided. Feel free to email me from your cbsd email with follow-up questions.

### How is this assignment turned in to the teacher and what kind of feedback will be received?

Students will check their worksheet on OneNote.
