# DOYLESTOWN PUMP TRACK LOGO DESIGN CONTEST

## Requirements

- Use: The graphic may be used online, on printed materials and clothing, stickers and signage. It should be legible at various sizes. A professional graphic designer will translate artwork, if necessary, into a digital format. Your design will fit into the box provided on the entry form.
- Theme: The pump track is a fun, public, outdoor activity for bike riders of all ages and the graphic should reflect that
- Color: Use any colors in the design, but the graphic may also be translated into black and white for some uses
- Title: "Doylestown Pump Track" does not need to be included in the design
- Integrity: The graphic cannot contain copyrighted material or images that have been previously published in any form. Graphic must have been created entirely by the contestant. The artwork needs to be able to be reproduced and scaled for different uses.
