Doodle Research and Brainstorming

Research: Browse past Google Doodles online by searching Doodles on Google. Pick your favorite Google Doodle and answer the following questions about the image:

1. **Describe the Image (What does it look like, what pictures are used, what colors...etc):**

2. **Was the Google Doodle made for a person or an event? Who, What and Why**

3. **What is the overall message of the Google Doodle?**

4. **What principles of design are evident in the Google Doodle?**

Brainstorming: Answer the following questions to help you come up with ideas for your very own Google Doodle.

1. **What five images/symbols/icons represent your personality:**

2. **What five image/symbols/icons represent your hobbies and interests:**

3. **What message do you want your Google Doodle to portray?**
