

The Holicong HUDDLE - Fall 2022

VARSITY FIELD HOCKEY, COACH BAUER

2022 Field Hockey season was one for the books. The girls started off the season strong but by the end of the season it was a little bit of a struggle. The girls always went into each game with the determination like I have never seen before! I am so very proud of all the hard work they put not only into the season but into each game and practice. This team of girls had such determination and girt, I am looking forward to next year to see what the team brings! Remember girls, the score is 0-0!"

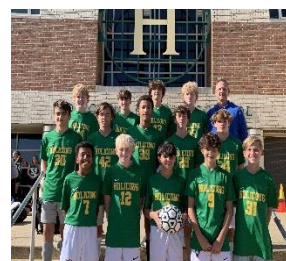

JV FIELD HOCKEY, COACH POLI

The 7th grade Holicong Field Hockey team had an incredible 2022 season, fighting hard for victory in each of their games, no matter the outcome. Their overall record this season was 4-3-1, with losses only to Tamanend and Lenape, tying for a well-earned second place. Twelve girls made up this determined group, varying in skills and experience, each player contributing uniquely and immensely to the team's success. These girls acted as a mini family, showing their trust and friendship both on and off the field this season. Congratulations to the 7th Grade Holicong Field Hockey Team!

JV BOYS SOCCER, COACH REED

Holicong's 7th Grade Soccer team battled hard this season to finish with a 4-4 record. The team made huge strides from start to finish as they learned the middle school style of play and the keys to being student-athletes for the first time. The highlight of the season came at the last game when Holicong defeated Unami 4-2. Unami had previously been undefeated and beat Holicong 9-0 in the first contest between the schools. What a turn-around!

VARSITY FOOTBALL, COACH UPDALE

Lets Gooooo! The Holicong varsity football team put together the first winning season since 2019! When asked about the season coach Updale replied, "It was a true team effort. On short notice, at various times during the season, players were asked to step out of their comfort zones to play positions they were not accustomed to. That is not simple thing to do." Though the Colonials earned a winning season, it was no easy road to success for the Holicong gridders. "Every game we had to overcome some type of adversity," said coach Updale, "even though key players missed games for various reasons, the boys who showed up to play always picked up the slack." When asked what he thought was the biggest improvement that the team made during this fall. "Tackling for sure, said coach Green. "We spend a lot of time practicing safe, yet effective tackling skills."

The Holicong varsity football team, comprised solely of 8th graders leaves big shoes to fill. They will no doubt give the CBE football program something to look forward to!
