## VARSITY GIRLS BASKETBALL, COACH BARNO

The varsity girls' basketball team had a remarkable season. The girls finished the regular season undefeated and made it to the conference semifinals, losing in overtime. The girls attacked each game with enthusiasm and determination. The girls were focused on their fundamentals, but always found time to have fun at practice. Each player knew their role and did their job to contribute to the team's success. I am confident this group will do great things in the future.

## JV GIRLS BASKETBALL, COACH KELLY

The seventh grade girls' basketball team ended on a positive note with a strong second half of the season. Through hard work and practice, the team made major improvements and will be a team to look out for next year.

## VARSITY BOYS BASKETBALL, COACH HEPLER

The 8<sup>th</sup> grade boys basketball team capped off a successful regular season, finishing 7-2. They entered the post season tournament as the number 3 seed but saved their best basketball for when it mattered most. Running off three dominant wins in a row versus Newtown, Lenape, and Holland in the finals, the Colonials were crowned the Northern Division Champions. The 48-34 win over Holland avenged an earlier season loss, and brought their final record to 10-2.
