## VARSITY GIRLS SOCCER, COACH UPDALE

How do you measure success? It is measured Grit, determination, perseverance, and most of all fun! The 8<sup>th</sup> grade girls Soccer team hit all four markers in every game! Because of the small roster, all the girls were often asked to play a full one hour of soccer with little or no rest; no easy task. Most noteworthy, many of the girls challenged themselves by stepping out of their comfort zone to play positions unfamiliar to them, demonstrating their selfless play and commitment to the team. The last game of the season exemplified our season, we had great McFun! Congratulations to Madison M. for earning the 2022 Most Valuable player recognition.

## JV VARSITY GIRLS SOCCER, COACH BAUER

The 7<sup>th</sup> gr girls soccer had such a fun season! Our season was 3 wins and 5 losses. This didn't stop their cheerful spirit. I am very proud of all the girls and the hard work they put in this season! Every game was a fight for the win but even when they lost, they still had smiles on their faces. Great job girls. Always proud of you and the great job on ending this season.

## VARSITY BASEBALL, COACH REED

The 8<sup>th</sup> Grade Baseball team battled all season long. While the team did not finish the season with the record they were looking for, they improved from start to finish and never quit or hung their heads. Coach Reed was proud to coach this group and is confident that many of the players will go on to have successful high school baseball careers and beyond.

## JV BASEBALL, COACH TASHMAN

7<sup>th</sup> grade baseball had a resilient bunch of players who never quit and improved every game Coach Tashman.

## SOFTBALL, COACH MOYER & COACH ZMUDA

What a year for these bound and determined young ladies. The season started a little rough at 0-2. But the girls pulled it together and let their talents shine and they finished the season with a strong 6-5 record and first appearance in the end of year playoff tournament in years! This was a group of talented 7<sup>th</sup> and 8<sup>th</sup> graders that came together to form a fun and exciting team! Didn't always come easy but the girls gave it their all and had a lot of fun in the process! Good luck to the girls moving on to CB east next year!

## BOYS LACROSSE, COACH DENNIS

Coach Dennis was involved this spring with an extraordinary bunch of young men who made up the boys lacrosse squad. Although being outnumbered every game by the opposition, they accepted this challenge and blossomed as a team. Their ability to watch and assist in the game flow made my job easier. The knowledge they brought from their various clubs was invaluable - and they shared their talents and attributes freely to a final record of 6-3 with one bye. Everyone agreed that their one bad game was the championship game, taking nothing away from the eventual champions Tohickon. Congratulations to an incredible season!

GIRLS LACROSSE, COACH POLI

The team went undefeated in the regular season play with an 8-0 record going into playoffs. The girls lacrosse team won the championship.

All 22 girls have contributed greatly to this successful 2022 season.

Congratulations Holicong Girls Lax!!

COED TRACK, COACH BARNO & COACH BREEDEN

**The Holicong track team had an amazing season. We had athletes that tried new events, improved their personal bests, and even won their events in district championships. The students learned to work together as a team and we saw several leaders emerge, as well. The kids were very coachable and worked hard each day at practice. The team posted a record of 6-0 in the regular season and then went on to take first place in the district championship meet!**
