

SAP (Student Assistance Program)

If you would like to refer a student to the SAP program please complete the electronic [SAP Referral Form](#)

SAP is a state-mandated student assistance program developed to help students, teachers and staff members in dealing with concerns about students who are believed to be experiencing barriers to learning. SAP utilizes a systematic process to identify and refer students who may appear at-risk due to drug and alcohol or mental health issues. SAP is NOT a disciplinary process. Please click [here](#) for information.
