

# Welcome to Team 7-0

Welcome to middle school! Your team teachers have been busy planning for the school year. Yes, this school year looks and feels different; however, we are excited and eager to meet you and learn alongside of you this school year!

Team 7-0's theme is "A single voice can make a multitude of difference." As a member of Team 7-0, you will have many learning opportunities to uncover ways that you can make a positive difference in your life, school, and world. In this first year of middle school, you will grow as a student and young adult, meeting new friends and creating myriad fun memories.

## What is Team?

Holicong is organized into teaching teams. Team 7-0 is your "home base," more than just a location of teachers, lockers, and classrooms. Your teachers meet to plan team activities, coordinate lessons and due dates, and discuss student progress. Your teaching team looks out for you!

## Get curious! Get involved!

Getting involved in a group at Holicong is salient to a healthy, productive year!

Check out the [activities page](#) on the Holicong website for the various ways you can grow as a member of the school community.

## Stay Connected
