Central Bucks School District

Team 7-1

Welcome to Holicong Middle School and Team 7-1! This year marks the beginning of what we hope to be an incredible experience at Holicong. We are proud to welcome you to our team and look forward to working with you over the course of the year.

First, we want you to know we are completely aware that this year will begin very differently from any other school year you have experienced. Furthermore, we understand that we have both challenges and obstacles to overcome, but we know that working together as a team is the best way for all of us to create a positive and engaging learning experience. Here at Holicong Middle School we ask students and staff to “Get in the Game.” On team 7-1 we focus on “Playing the Right Way” by fostering student and teacher relationships in the hopes of building personal responsibility, character, cultural understanding, and ethical behavior. Through a series of team building and academic activities, our students will look to improve the quality of life here at Holicong.

Working with us this year will be an incredible group of educators that are completely devoted to making sure you and your educational needs are met. The following teachers make up the core of Team 7-1:

- Mrs. Demuro – Language Arts: [mdemuro@cbsd.org](mailto:mdemuro@cbsd.org)
- Ms. D’Arcangelo – Learning Support: [mdarcangelo@cbsd.org](mailto:mdarcangelo@cbsd.org)
- Mrs. Lovuolo – Science: [klovuolo@cbsd.org](mailto:klovuolo@cbsd.org)
- Mrs. Light – Language Arts: [mstout@cbsd.org](mailto:mstout@cbsd.org)
- Ms. Nikolopoulos – Math [enikolopoulos@cbsd.org](mailto:enikolopoulos@cbsd.org)
- Mr. Kane - Social Studies (Team Leader): [akane@cbsd.org](mailto:akane@cbsd.org)

We know that seventh grade is a transitional year for all students, and we are excited to have the opportunity to help make that transition as smooth as possible. Thanks to student laptops, students and parents will have more access than ever before to course materials, study tools, and engaging assignments. However, we know that there will be a learning curve and adjustment period for everyone as we move forward in this new style of learning. If you ever have any questions, please do not hesitate to contact any of the team teachers. We are very excited about the experiences we will share this year, and we are looking forward to meeting you!

Sincerely,

Your Team Teachers
