PRINCIPAL'S MESSAGE

Geanine N. Saullo

Welcome to Lenape Middle School and the 2018-19 school year. **SmokeSignals** is the newsletter for our school. With the opening of school, there is a great deal of information to communicate to students and parents and so we ask that you take time to read this edition. We will frequently send our newsletter via email to communicate important events, notices and other information in a timely manner. Please be sure your email address is in your Parent Portal contact information. Our emails are sent to the addresses listed there. You can always visit our school website at <http://cbsd.schoolwires.net/lenapems> for information about Lenape.

The staff has done a great job this summer preparing our school for another exciting year. We are dedicated to the success of your children and look forward to working with you to ensure their success. We look forward to building upon the tradition of excellence that Lenape has established. If you have any questions or concerns, please contact me at 267-893-2800 or by email at gsaullo@cbsd.org.

Again, please take a few minutes to read through this newsletter and familiarize yourself with many of the school's day to day procedures. Please pay particular attention to the information about morning drop off and afternoon pick-up. Also, please review the guidelines for student dress on page five.

We look forward to seeing students on September 4th. Access to the school will begin at 7:00 A.M. Students arriving prior to 7:18 A.M. should report to their designated area. These areas are as follows: Car riders – cafeteria, all bus riders and walkers auditorium. At 7:18 A.M. all students will dismiss from their designated area to their lockers and 1st period – school starts at 7:30 A.M. Students arriving after 7:30 AM must check in at the Main Office. Random Acts of Kindness and Positive Behavior Trait of the Week

Lenape Pride Is...For Me...For Us...For Everyone

Lenape will continue to emphasize the theme Random Acts of Kindness and acknowledge those who perform selfless acts to better our school community. We will also build on the work begun over the last several years by our School Climate Committee and partner with the Anti-Defamation League and strive to become a *No Place for Hate* school. This program creates inclusive school environments that celebrate diversity, promote respect for differences and challenge bias and bullying. We look forward to many student-led initiatives that will help us continue our efforts to foster a school community which all students feel safe and respected. We will also continue with our weekly Positive Behavior Trait. Each week, a specific trait will be identified on our Monday TV show. Teachers will nominate students they feel exemplify that trait. Those names are read the following on announcement and posted on a bulletin board. Please join us at home in supporting our themes and goals this year. Thank you for being Lenape Proud.

Volunteers Needed

I urge you to become involved in some way here at Lenape. We are always in need of chaperones for dances, field trips, and other events. We are also seeking volunteers to help in the library during lunch hours. You will need to fill out Volunteer paperwork to obtain clearances to be able to volunteer in school activities. Click on the link <https://www.cbsd.org/volunteers>. Also, become involved in the Parent Advisory Council. You are already a member of Parent Council – because you have a child here at Lenape. Our first Lenape Parent Council meeting is Thursday, September 20th. A schedule of meetings for the remainder of the year is included in this newsletter.

Parent Portal

Through this secure online tool, parents have access to information about their student(s). Parents are able to view their student's attendance record, schedule, assessment data, interim progress reports, report cards, immunization records, fees, and family demographic information such as address and phone numbers. The parent portal has proven to be very popular and helpful. Go to the Lenape or any district website and click on the portal icon near the top of the page.

You can also keep up to date by going to each teacher's website for classroom information. Just go to the Teacher Websites link on the Lenape website - <http://cbsd.schoolwires.net/lenapems>.

If you do not have access to a computer for this information, please contact the teacher. Phone numbers and email addresses are also available on our Staff page.

Parent Council Meeting Dates

Plan on attending the Lenape Parent Advisory Council meetings. Every parent is automatically a member of parent council. No one is “elected” – the only requirement is a desire to help the Lenape Learning Community and to become more informed. The first meeting of the year is September 20th, at 9:00 AM in the Library.

The schedule of meeting dates for Parent Council is:

Thursday, Sept. 20, 2018 – 9:00 A.M. Library
Thursday, Oct. 18, 2018 – 9:00 A.M. Library
Thursday, Nov. 15, 2018 – 9:00 A.M. Library
Thursday, Jan. 17, 2019 – 9:00 A.M. Library
Thursday, Feb. 21, 2019 – 9:00 A.M. Library
Thursday, March 21, 2019 – 9:00 A.M. Library
No meeting in April due to PSSA testing

Back to School Night **Thursday, September 6, 2018**

Begins in Advisory (LOOP) 7:00 P.M.

This night is an opportunity for you to meet your child’s teachers and visit their classrooms. The Back-To-School Night schedule does not provide for individual parent-teacher conferences.

As you follow your child’s schedule, please understand that this is not your typical Back-To-School Night format, but more of a meet and greet.

At 7:00 PM, we ask that you are in your child’s Advisory (LOOP) classroom for announcements from the administration. Please be sure to ask your son or daughter their Advisory (LOOP) room number before coming to Back-To-School Night. Parking at Lenape may be difficult on Back to School Night. We have made arrangements with the Baptist Church, C.B. West and Doyle Elementary School to accommodate “overflow” parking needs.

Operation Items for Parents

- **To Report An Absence:**

Please send an email to lenapeattendance@cbsd.org.

Please include the following in the subject line: student, name, grade, date of absence and absence reason. For example, "Joe Smith, 7th, 12/3/18, fever". There is no need to leave anything in the body of the email. You may also leave a message on the Lenape 24 hour attendance hotline (267)893-2820. Please include your student's name, grade, date of absence and reason in the voicemail. We would appreciate a call if your son or daughter will be coming in late to school. If you do not email or call, please send a note to school with your child upon their return. You may use Absence/Tardy Excuse Note below:

https://www.cbsd.org/cms/lib/PA01916442/Centricity/Domain/386/Attendance/CB303_Absence_TardyExcuse_Writable.pdf.

- **Picking up – signing out students for appointments**

For safety considerations, we require you to come into the building during the school day to pick up your child. Ideally, if you are picking up your child for an appointment – please have him/her bring a note to the main office first thing upon arrival at school so they can be issued a dismissal pass from class.

For safety and security purposes, Lenape has a buzz in system at the main office entrance. Please use this system in order to be granted access the building by one of our staff members. Instructions on how to use the buzz in system are displayed in the lobby. You will be required to show identification when picking up your son/daughter. Thank you for helping us ensure a safe learning environment for our students. **STUDENTS ARE NOT PERMITTED TO LEAVE LENAPE AND WALK TO THEIR SCHEDULED APPOINTMENT. A PARENT/GUARDIAN MUST BE PRESENT TO "SIGN OUT" THEIR STUDENT.**

Students are not allowed to call (or text message) home directly to be picked up for illness. In cases when a student becomes ill during the school day, the school nurse will contact the parent and coordinate this dismissal.

- **Getting messages to students**

Many times parents will call during the school day and ask us to get an important message to their child. We do not interrupt classes for student messages – unless it is considered a major emergency. Please do not text your student – the front office will get the message to your student.

- **Forgotten materials and lunches**

Forgotten lunches and other materials may be dropped off on the cart in the vestibule of the school. If your child has called home to ask you to bring something in, remind him/her to check the cart. **Please be sure the student's name and grade is on the item.**

- **Updated cell phone policy**

At the start of each period, students will be asked by teachers to power down their phones. Teachers will also invite students to place their powered-down phones in the classroom's pocket chart where they will not be a distraction.

If a student's phone rings, dings, chimes or vibrates during class or is used when not invited by the teacher, the following consequences will occur: **First Offense:** Office referral, after-school detention – **Second Offense:** Office

referral, Saturday detention, parent must pick-up phone – **Third Offense:** Office referral, one day on in-school suspension, phone left at office each morning.

Students needing to contact home should utilize the phones in the main or guidance office. We request that you do not call or text message your child during the school day.

- **Leaving campus once students have arrived**

Once the students have arrived to the Lenape campus, by either school district bus, private automobile, or by walking, **they may not leave the campus** to go into town or onto property adjoining the school. At the end of the school day, students cannot leave the campus and then return to take the bus home or to come back into school. Students who walk to Lenape tend to gather on the property of the church next door. The church and the school have asked the borough police to patrol this area. We would like you to instruct your children to not “hang out” on neighboring properties.

- **Students staying after school**

Often students stay after school for help from teachers or for activities and meetings. Students should not just stay at school to “hang out”. This is considered a “school safety” and supervision concern. **Students not involved in activities are expected to leave the building by 3:00 P.M.** Depending on the number of students, we may require students who have finished with meetings, activities, or help, to report to a specific room and wait to be picked up.

- **Health Room medications**

All medication, whether prescription or non-prescription, must be kept in the health office. **Medication will be administered to students during school hours, only when such administration is needed for the student to remain in school.** Medication must be sent to the school in the **original, properly labeled container, and must be accompanied by a Medication Dispensing form signed by both the physician (or dentist) and the parent.**

- **Approval for family trips and vacations**

If, during the school year, your family is planning a trip or vacation that will take your child out of school, please get a vacation form from the Main Office. These are available in the school office, and, if possible, completed at least 2 weeks before the anticipated absence. Please note that CBSD Board Policy #204,

Attendance, states “Absences for approved reasons due to family travel shall be limited to two occurrences each year. Total number of approved days of absence shall not exceed five days in a given school year. Days exceeding these guidelines may be considered unlawful and/or unexcused.”

School-wide Fundraiser

Lenape has only one school-wide fundraiser and that is a magazine campaign. Profits from this campaign offset some field trip costs, pay for the Agenda Plan Books, and provide other operating funds for the Parent Council and Student Government. The kick-off assembly for this fundraiser is Monday, September 17th. Students will be given explicit instructions to not go into the neighborhood for door-to-door selling. This is a family, relative, and friend’s sale. Please support this important fundraising activity. Click on the link below to sign up for Magazine Drive.

A few parent volunteers are needed to count money and process orders on our “collection days”. No experience is necessary! It is actually fun. If you can help out, please call the school office at 267-893-2800. It is a quick and short-term way to volunteer your help to the school. We look forward to hearing from you!!

Agenda Planning Books

Each student is provided an Agenda Calendar Planning Book. These will be distributed the first day of school. This planner is an excellent way for students to “stay organized”. The first few pages of the planner explain the rules of the school – policies and procedures from A – Z. Parents may want to review these so that they have a better understanding of how the Lenape School Community operates.

School Dances

The first dance for the school year will be held on Friday, October 26th. Dances start at 7:00 P.M. and **are over at 9:00 P.M.** (except for the Freshman Dance which ends at 10:00 PM.) Dances are held in the gym and admission is \$5. Students arriving after 8:00 P.M. must be “checked in” by the parent/guardian. **Parents – please plan to pick up your child at the appropriate time. Often, parents will carpool for these events. It will ensure a safe departure for all students.**

**We need chaperones for the first dance.
Please use our SignUpGenius if you can help out.**

<https://www.signupgenius.com/go/8050845adac2bab9-halloween2>

**Please call the main office at
267-893-2800, and let Frank Pustay, Assistant Principal, know.**

The dress expectations for school dances are the same as for school. Clothing that is not appropriate for school will not be appropriate for a dance. If children show up at a school dance dressed inappropriately, they will be asked to sit in a supervised classroom until a parent can be contacted to bring other clothes.

Many times students want the DJ to play music from a students phone. We do not permit this, and in addition, we ask the DJ to not play songs by certain artists or songs that encourage unsafe dance behavior (mashing, etc).

Students may think some of these “rules” about dances are unreasonable, but we are starting to see behaviors at dances that are unacceptable. We want the dances to continue and to be safe – therefore we are going to be more aggressive at controlling these behaviors and the students who exhibit such behaviors.

Dates for dances for the year are:

- October 26th – Halloween Costume Dance
- February 8th – Valentine’s Day Dance
- June 7th – Freshman Dance

Student Dress Expectations

What are some essential considerations relating to student dress?

- The overwhelming number of Lenape students are always dressed appropriately for school.
- Lenape recognizes the individuality that students exercise in their clothing choices.
- Students are asked to show consideration of others, to display respect and responsibility, to dress in attire that is modest and tasteful, to help maintain the most productive academic atmosphere possible.

Does Lenape have a dress code?

- Lenape has a set of dress guidelines and we also follow the guidelines of CBSD Board Policy #218, which states “students are to dress and groom to meet community standards of safety, health and decency.”

What are some examples of clothing that is not appropriate for school?

- Clothing that exposes underwear or abdomen.
- Hats of any type (prohibited during the school day and must be kept in lockers).
- Jackets and coats (placed in lockers during the school day).
- Clothing with messages or pictures, which show drug or alcohol symbols/products, cigarette advertisement, sexual innuendo, violence or hate.
- Tops that are cut low and are revealing. (No spaghetti straps.)
- Muscle shirts – tube tops – backless shirts
- Shorts/skirts that are cut excessively high. Skirts and shorts should be at fingertips or longer when arms are held to side.
- Unsafe adornments (for example: spiked bracelets and spiked necklaces).

Where does responsibility lie in upholding dress standards?

- It is the mutual responsibility (school and home working together) to teach and monitor the values of dressing for success. The primary impetus, of course, comes from the home.

Where are the standards of student dress applicable?

- Acceptable standards of dress, grooming and modesty are adhered to on school grounds, on buses, at school dances and other school sponsored activities.

What will occur if a student is not dressed appropriately?

- The student will be directed to comply by using gym apparel, items in the student’s locker, or clothing borrowed from the school or another student. The parent will be notified of the situation by letter or by telephone. If the student is unable to find an appropriate change, the parent will be called to bring clothing to school.

We hope this information about school dress guidelines is helpful in discussions with your child. Your understanding, assistance and support are appreciated.

Students riding buses: **Buses only will enter from West Street and exit on State Street.**

Buses will drop off and pick up students in the bus lane. Dismissal to lockers is at 2:30 PM and buses depart starting at 2:38 PM.

Students being dropped off and picked up by car: Parents dropping off or picking up students **SHOULD NOT USE THE BUS LANE OR DO A U-TURN IN THE BACK OF THE BUILDING.** **CARS WILL ENTER FROM STATE STREET**

(Rt. 202) AND EXIT ON WEST STREET. This is a safety issue. Please see the attached traffic pattern map on the Lenape website for more information.

Students who ride bikes to school: The bike rack is located outside at the rear east side of the building. Bikes should be locked to the rack. Bike riders should not ride the sidewalk or bus lane in front of the school. Bike riders should use the street behind the church/apartments and then on to West Street to arrive and depart.

For all students: Students not staying at school for specific teacher help, sports practices/games or approved meetings must leave the campus by 3:00 P.M.

For Parents: Please observe the 15 mph zone around the school, and remember, in Pennsylvania, it is a law that you MUST STOP for pedestrians in crosswalks. CARS WILL ENTER FROM STATE STREET (Rt. 202) AND EXIT ON WEST STREET. PLEASE DO NOT ENTER FROM WEST STREET AND UTILIZE A U-TURN TO EXIT.

Boomerang Youth Recognition Award

The Boomerang Youth Recognition Award is a monthly program which recognizes and honors youth in our community for exemplifying and living by one of 9 chosen Developmental Assets (one asset for each month from Sept.-May). The ballot box is located in the main office at Lenape Middle School or you can go to the nomination link on the Lenape homepage.

Youth can be nominated for the award by any member of the community. In fact, students can nominate themselves or their friends. Each school submits one student who best represents the chosen quality. A rotating committee of community “judges” which includes representatives from CB CARES, Outback Steakhouse, law enforcement, community nonprofits, local and state government, and local businesses, chooses one student (elementary, middle and, high school) from amongst the nominations. These district-wide winners receive a letter and certificate of recognition and a gift certificate from Outback Steakhouse in Jamison. In addition, their name is engraved on a plaque at Outback and their picture appears in the Bucks County Herald. An end-of-the-year June luncheon, which includes all Boomerang Award recipients, their parents, and community judges, additionally serves as a celebration of this recognition. It should be noted that ALL students who have been nominated for this award receive a gift from CB CARES as an acknowledgement of this honor.

We are in need of parent volunteers to serve as the CB Cares Liaisons for the Lenape Parent Council. The role entails promoting CB Cares initiatives to the Lenape Parent Council and helping to plan the CB Cares Boomerang breakfasts at Lenape. Please contact Frank Pustay (fpustay@cbsd.org) if you are interested in volunteering.

The Boomerang Asset for October is:

October: #22– School Engagement. Young person is actively engaged in learning.

Central Bucks School District is state mandated to ensure that each student in certain grade levels has a dental and physical examination. **Physicals and dentals are required for all new students in all grades. Dental examinations are required for all students entering grade 7.** These forms can be downloaded and printed from Lenape's website under Health Office or <https://www.cbsd.org/domain/574>

Should you require assistance in obtaining these examinations, please contact the school nurse. These examinations are important, not only because they are state mandated, but also because they provide valuable information about the health of your child. To visit the district Health Services and Information page <https://www.cbsd.org/domain/403>
