

Fun Fact Friday:

While **38%** of the American population is eligible to give blood, only **2% actually donates**.

On Wednesday, March 10, you have the chance to help increase that percentage! Please see the flier below with more information about Lenape's blood drive this year (created by Maggie Meglio). [Or click here to sign up to donate!](#)

Don't miss this exciting and rewarding opportunity!

Stay well.
